State Legislative Program of the Advisory Commission on Intergovernmental Relations United States. Advisory Commission on Intergovernmental Relations, 1971

Chern on Dispute Boards Cyril Chern, 2015-05-22 Chern on Dispute Boards examines the law of dispute boards and their development internationally while also covering procedural topics that are of particular concern to those utilising dispute boards It deals with advanced practitioner issues in the emerging law of dispute boards on an international scale laying out their methods and methodology not only under the common law but also under other legal systems such as Civil law and Shari ah law Excelling in describing the how and why this book also gives samples and or forms of actual working dispute boards that any practitioner could use and adapt to their own needs Readers of this this updated third edition will have explained to them the various international formats and types of dispute boards in use today and be brought up to date on the ever evolving law within the field New to this 3rd edition is the extensive coverage of appeals from Dispute Board Decisions the laws relative to appeals and the ICC enforcement procedures and new forms and guidelines for the practitioner This book guides the reader through the complexities of actual commercial and construction disputes and their successful resolution and also presents a way forward for the dispute board members themselves to administer actual dispute boards all over the world It is therefore the number one guide for construction lawyers engineers and dispute board stakeholders worldwide

Effective Resolution of Collective Labour Disputes A. F. M. Brenninkmeijer, 2006 In the early summer of 2005 an international expert meeting was convened in The Hague to share and compare national experiences with conciliation and mediation as methods for resolving collective labor disputes Both the European Union and the Council of Europe have committed themselves to promoting these methods which aim to assist disputants in finding creative negotiated solutions while preserving their long standing relationships Ideally trade unions and employers associations have such long standing relationships and many European countries have specialized conciliation officers or mediation services operating in this area The meeting allowed leading mediators and academics to share their experiences and to exchange their views on the changes permeating Europe today the rise of transnational labor disputes the decentralization of collective bargaining the process of de unification the joining of the EU by new member states without a social dialogue tradition and the insights generated by the emerging science of principled bargaining facilitative mediation and conflict management All these developments are likely to increase the demand for expert mediation services assisting more often less experienced negotiators Thereby the very nature of mediation may gradually change This book documents the proceedings and provides a comprehensive overview of EU initiatives in the field of collective labor law and dispute resolution
