Recovering A Journal:

Recovering May Sarton, 1997-12 May Sarton's 66th year 1978-1979 was a difficult time a cherished relationship had come to an end she had a mastectomy she fought against depression How her friendships her love of the natural world and her growing audience of readers brought her back is the focus of this journal **Recovering** May Sarton, 1997

Understanding May Sarton Mark K. Fulk, 2001 The writings of feminist author May Sarton though often underappreciated during her lifetime have attracted a wider audience since her death in 1995 This text is a guide to Sarton's poetry novels and memoirs for students and the interested general reader Fulk English John Brown U provides biographical background information discusses the primary themes in Sarton's writing and emphasizes the spiritual dimensions of her thought c Book News Inc **The Hidden Writer** Alexandra Johnson, 2010-07-07 Whom do I tell when I tell a blank page Virginia Woolf's question is one that generations of readers and writers searching to map a creative life have asked of their own diaries No other document quite compares with the intimacies and yearnings the confessions and desires revealed in the pages of a diary Presenting seven portraits of literary and creative lives Alexandra Johnson illuminates the secret world of writers and their diaries and shows how over generations these writers have used the diary to solve a common set of creative and life questions In Sonya Tolstoy's diary we witness the conflict between love and vocation in Katherine Mansfield and Virginia Woolf's friendship the nettle of rivalry among writing equals is revealed and in Alice James's diary begun at age forty the feelings of competition within a creative family are explored The Hidden Writer shows how the diaries of Marjory Fleming Sonya Tolstoy Alice James Katherine Mansfield Virginia Woolf Anaïs Nin and May Sarton negotiated the obstacle course of silence ambition envy and fame Destined to become a classic on writing and the diary as literary form this is an essential book for anyone interested in the evolution of creative life **Recovery Monographs Volume II** William White, 2015-11-06 The addiction treatment field is reaching a tipping point that is revolutionizing the ways that behavioral health leaders think about people with alcohol and other drug problems and how services and systems are developed Recovery Management Recovery Oriented Systems of Care contains six monographs by renowned recovery advocate William L While and colleagues These monographs provide insight and analysis of the topics important to today's addiction counselors and recovery coaches recovery oriented systems of care recovery management peer based recovery services and treating addiction as a chronic condition that requires ongoing management **The OpenVMS User's Guide** Patrick Holmay, 1998-09-03 Completely updated and revised The OpenVMS User's Guide continues to be the prime resource for new and non technical users on how to use OpenVMS and customize it to their working environment For more proficient users the book serves as a quick look up reference The book begins with an introduction to the OpenVMS operating system and its built in functions and then provides a thorough explanation of OpenVMS files and directories use of DCL and how to edit files using EVE and EDT It also discusses how to create command procedures and the Mail and Phone utilities New to this edition

are additional insights into application development and sending e mail to remote notes via the Internet remote logins and file transfers Each chapter is liberally sprinkled with learning aids including summaries and tables of commands exercises and review quizzes Completely covers the OpenVMS operating system from logging in to creating command procedures with thorough discussions of files and directories Covers both EVE and EDT editors in detail Shows how to customize your working environment

The Legacy of Fischer Black Bruce N. Lehmann, 2005 Fischer Black was a remarkable social scientist one whose contributions range from the lofty perch of highbrow theory to the trenches of practical application The papers represented in this work span the same range the contributions of a remarkable array of financial economists who embody in different ways Fischer's ideal of insight from economic theory that both guides and is rooted in the kind of detailed observation of relevant aspects of actual financial markets It is hoped that readers find this volume to be both a fitting tribute and a stimulus to further research After all the advancement of economic science remained a constant goal throughout Fischer's remarkable career in the many and disparate venues in which he plies his trade
