Covenant Theology and Justification by Faith Jeong Koo Jeon,2006-05-23 This study explores the Shepherd Controversy 1975 1982 and the contemporary debate on covenant and justification by faith from the perspectives of historical systematic and biblical theology The distinctive contribution lies in the identification that the Shepherd Controversy as a logical outcome of rejecting the distinction between Law and Gospel at Westminster Seminary in Philadelphia The larger problem is that Norman Shepherd and other associated theologians reject the distinction between Law and Gospel injecting their monocovenantalism into the theologies of Calvin the Westminster Standards and Murray The result has been hermeneutical and theological confusion among some of the followers of the Union with Christ School scholars Reformed theologians led by Greg Bahnsen Auburn Avenue theologians and pastors are also monocovenantalists and have been influenced by the Union with Christ School scholars directly and indirectly Their common denominator is the rejection of the distinction between Law and Gospel in their analysis and understanding of covenant and justification by faith Having been influenced by the Union with Christ School scholars at Westminster Seminary in Philadelphia some scholars began to adopt the hermeneutics and theology of the New Perspective on Paul which is anti Reformational and anti Pauline The adaptation of the New Perspective on Paul among some of the followers of the Union with Christ School is a logical step because both of them reject the distinction between Law and Gospel which was a key hermeneutical and theological tool during the sixteenth century Protestant Reformation against the background of the medieval legalistic religion

Fesko,2013-08-26 This book represents a substantial accomplishment one that provides a useful resource for those wanting to deepen their understanding of the sacraments particularly baptism Reflecting a massive amount of research against the background of an in depth survey of various views of baptism in church history Fesko provides an extensive exegetical and biblical theological study of the covenantal and eschatological significance of baptism followed by systematic theological reflections on key issues like baptism as a means of grace the efficacy of baptism the biblical warrant for infant baptism and against paedocommunion and the importance of baptism for the church One need not agree with his reflections at every point to benefit from his considerable labors Richard B Gaffin Jr Professor of Biblical and Systematic Theology Emeritus Westminster Theological Seminary

Predestination Peter J. Thuesen,2009-07-06 Winner of the Christianity Today 2010 Book Award for History Biography and praised in Christian Century as witty erudite masterful this groundbreaking history the first of its kind shows that far from being only about the age old riddle of divine sovereignty versus human free will the debate over predestination is inseparable from other central Christian beliefs and practices the efficacy of the sacraments the existence of purgatory and hell the extent of God s providential involvement in human affairs and has fueled theological conflicts across denominations for centuries Peter Thuesen reexamines not only familiar

predestinarians such as the New England Puritans and many later Baptists and Presbyterians but also non Calvinists such as Catholics and Lutherans and shows how even contemporary megachurches preach a purpose driven outlook that owes much to the doctrine of predestination For anyone wanting a fuller understanding of religion in America Predestination offers both historical context on a doctrine that reaches back 1 600 years and a fresh perspective on today s denominational landscape
