Dear ____ ,

We ____are planning to open a charity-funded school for the underprivileged students of the locality at _____. As a non-profit organisation, the school will be run only on your donation and resources as gifts to the children we hope to help.

Our outline of the school is at a primitive stage currently, and its execution and extension are largely dependent on your donations. These children that we hope to help are now often seen working in factories and cafes, begging to earn some money to feed. It is a great disappointment that such a young population of our country is deprived from the light of education. Kindly look at our project and contribute to it as per your convenience.

We are grateful for your invaluable time and support which you have granted us these children are eager to help and us. We hope you to be a part of inauguration and look forward to further support and encouragement.

Yours Sincerely
Kate Winslet
