Louisiana Notary Exam Sample Questions and Answers 2022 Steven Alan Childress,2022-03-19 NEW FOR 2022 Questions and answers in four separate tests plus detailed explanations for each right and wrong answer keyed to the page of the latest official state Study Guide help coach students for the difficult exam This unofficial resource at last takes notary prep to the next level by revealing the tricks of questions and formats tactics for the test and the law behind it Louisiana civil law notaries have unmatched functions responsibilities and opportunities but the exam averages a 20% pass rate Candidates need all the help they can get The best prep classes and study groups recommend multiple practice questions to understand the format content and coverage of the actual exams the Secretary of State administers each year Yet even the best workbooks and study aids are costly but barebones in the answers they provide Their questions help but students are left matching answers to page numbers There s no guidance on why they re right and even

less about why other good options aren't best. This book fills that void with 130 questions and detailed clarifications plus tactics illustrated by specific formats and options. Explanations are keyed in detail to the 2022 Fundamentals state study guide. Dr. Childress, author of a best-selling supplemental book decoding the state study guide and teacher of Tulane's undergraduate course in notary law, explains every twist he can think of that the examiners may try. Whether as a recommended supplement to a prep class as spelled out in *lagniappe* to other available workbooks or as a new tool for self-study, this workbook should become standard fare for anyone contemplating becoming a commissioned notary. An affordable addition to the Self Study Sherpa Series from Quid Pro Books.

[Become a Notary Public in Louisiana \(New for 2025\)](#)

Steven Alan Childress, 2024-12-14. New edition in 2025 explaining all the big changes to the testing process and format effective March 2025. This is a fully updated version of this much-read introduction to the office of Notary Public in Louisiana. Civil law notaries enjoy functions, responsibilities, and earning potential unmatched in any other state and reserved there to attorneys. Louisiana notaries wield the power not just to verify signatures but also to create the legal papers they notarize, including affidavits, donations, powers of attorney, and even wills and trusts. And so much more with no educational requirement beyond high school but a state exam that is famously challenging. The entire process to become a notary is difficult and wrapped in some mystery. That is especially true in 2025 as the state transitions to a new system of registration and testing. This book is helpful if you're in the beginning stages of becoming a notary public. Or just thinking about joining the profession. It's about the process of registering to be a notary and why you'd want to. It's about the classes, books, resources, and options available to prep for the exam. It's not a study guide to the test's content itself. Other books do that, including the best-selling *Sidepiece* guide also by Prof. Childress of Tulane. But it does explain the format of the exam and the structure of questions so that a candidate knows how to start studying. Previously, no one had offered a guide to the preliminary but confusing steps you take to be eligible for the exam or rules and tips you'd want to know right away about the exam process and its open book. Website information can be unclear and incomplete without disclosing the realities. This book is about what I wish someone told me from Day One when I was considering becoming a notary in Louisiana. An affordable addition to the Sherpa Series from Quid Pro Books.
