Visual Writing Alex Baratta,2010-07-12 Considering the fact that the academic essay continues to be widely used as an assessment tool within education there is a need for students to develop their skills in this area However it is often the case that students perceive instruction in academic writing if it is offered at all as boring This book addresses these two issues First the book can be used by students themselves even in the absence of academic writing classes as a self help guide from which they can develop their knowledge of academic writing and subsequent proficiency Second by discussing the components of academic writing in terms such as film which are familiar to today's generation students are enabled to

relate to the material better and see what might have been perceived as dull from a brand new perspective Visual learners in particular will enjoy the analogous link between films and essays and students today are arguably more visually literate than previous generations being exposed to visuals on a daily basis through text message iconography computer games and the Internet The visual instruction provided in turn helps to facilitate mental visuals in students minds from which their knowledge of essay writing can start to develop

The Power of Identity and Ideology in Language Learning Peter I. De Costa,2016-05-09 This critical ethnographic school based case study offers insights on the interaction between ideology and the identity development of individual English language learners in Singapore Illustrated by case studies of the language learning experiences of five Asian immigrant students in an English medium school in Singapore the author examines how the immigrant students negotiated a standard English ideology and their discursive positioning over the course of the school year Specifically the study traces how the prevailing standard English ideology interacted in highly complex ways with their being positioned as high academic achievers to ultimately influence their learning of English This potent combination of language ideologies and circulating ideologies created a designer student immigration complex By framing this situation as a complex the study problematizes the power of ideologies in shaping the trajectories and identities of language learners Catalogue Number.
