Personal Hygiene Awareness And Discussion For Females Phad:

Woman, Body, Desire in Post-Colonial India Jyoti Puri, 2002-09-11 First published in 1999 Jyoti Puri draws on post colonial and feminist theory to focus on how women in current day India conceptualize their gender and sexuality She provides a groundbreaking ethnographic study based on fifty four middle and upper class Indian women ranging from the ages of fifteen to thirty eight She argues that these women s narratives are shaped by not only the nation state but by transnational processes as well **Woman Body and Desire in Postcolonial India** connects important issues of class and nationhood to the emerging sense of female identity in India covering previously neglected topics such as menstruation gay and straight sexual experience sexual harassment and assault marriage and motherhood Puri discovers that attitudes about sexuality and gender are surprisingly similar in India and Western countries **Hispanic Women's Health Issues**, 1984

Swachh Bharat: From Sanitation to Cleaning up the Financial System Dr.W.Shanthakumar, *Interdisciplinary Research in Technology and Management* Satyajit Chakrabarti, Ashiq A. Sakib, Souti Chattopadhyay, Sanghamitra Poddar, Anupam Bhattacharya, Malay Gangopadhyaya, 2024-05-30 IRTM 2023 We live in an inter connected world In the era of Industry 5.0 technology is getting embedded more and more in the way we learn live work and play This progression is accelerating at a pace never seen before Inter disciplinary and collaborative research across disciplines within the Technology domain and Management domain and across the Technology Management interface is opening up exciting new possibilities for solving problems whose solutions are beyond the scope of a single discipline domain or practice and helping to create a brave new world We are living in an incredible time of change Our effort to hold such an interdisciplinary conference in the virtual mode apparently resonated across the academic community as was evident from the huge response that the first ever conference on Interdisciplinary Research in Technology and Management IRTM held in February 2021 had received from participants across many countries This has encouraged the organizers to hold the next edition of the conference physically in Kolkata on a larger scale in the online mode The pandemic unleashed by Covid 19 in the last two years has shaken the socio economic foundations of countries and societies to a point where the world cannot be the same as before the pandemic It has re focused the world s attention on the priority of healthcare and healthcare infrastructure and its innovative management Inevitably questions have again been raised more vehemently on what kind of a world we want to live in Environmental concerns are being pursued with renewed vigour The urgency of developing new robust infrastructure relevant for the new world is gaining wider consensus By 2030 as reports suggest cyber physical systems internet of things and wearable technology will be everywhere and in everything renewable energy will power the world and digital entertainment will take centre stage among other developments The third edition of the conference on Interdisciplinary Research in Technology and Management attempts to spotlight the above concerns The number of tracks on which papers are invited from scholars researchers consultants and practitioners to share their interdisciplinary research and consultative

work has been enlarged As before the papers will be peer reviewed and authors of the selected papers will be invited to present their papers in the IRTM conference The presentation of papers will be interspersed with Keynote Talks by eminent experts on the theme of the conference or individual domains

Menstruation: Myths, Mechanisms, Models and Malfunctions Fiona L. Cousins, Philippa T. K. Saunders, 2024-05-22 The endometrium is a remarkable resilient hormone dependent tissue that prepares each month for the arrival of a blastocyst and the subsequent establishment of pregnancy If no pregnancy occurs endometrial tissue surrounding the uterine cavity breaks down releasing tissue fragments blood and fluid into the lumen during menstruation The appearance of blood in the vagina is the hallmark of menstruation and in a modern society with low birth rate may occur 400 times during a woman s fertile reproductive life Menstruation only occurs in a few species and is linked to terminal differentiation of stromal cells decidualization in response to ovarian steroids During menstruation the endometrium resembles a bloody wound with a strong inflammatory response The endometrium is almost unique amongst adult tissues in the rapid resolution of inflammation and restoration of the surface without forming a scar or fibrotic response

Women in Different Physique Nurazzura Mohamad Diah, 2023-03-23 Women s bodies often change as they face hormone depletion menarche pregnancy menopause and ageing and only women experience them Talking about women s bodily changes is most definitely a challenging topic because women considered the changes as private matters and some dealt with in silence To unravel the complexity of the topic this book brings readers to the real stories of women who struggle with their bodily changes how it is understood and comprehend by many It compiles several themes related to women s issues written by academics from the field of medicine and social sciences The increasingly pervasive influence of Western perceptions of youth femininity and sexuality together with the increasing adoption of biomedical treatments have altered cultural understandings of women s bodies
