This Powerpoint (on *The Trial* by Franz Kafka) encourages you to engage with the text a section at a time, in order to ensure you are focusing on structural features.

You will explore the first part as a class, discussing and annotating your ideas.

Then you will annotate the second part in pairs or as a group.

The final part you will annotate on you own.

After each section, you will write a short paragraph explaining how the writer has structured the text to interest the reader. You will then peer assess the three paragraphs together.
