Richard Wells, 2012-10-01 Many in the church have forgotten the Psalms They may still be read but the rich history of using them as the backbone of Christian worship from the earliest days of the church until the 19th century is unknown For some the thought of praying or singing the Psalms alone or with others is entirely foreign In this we are out of step with our forebears in the faith we are an oddity in the history of the church and duly suffer for it Drawn by the rich spiritual depth produced in so many who have invested themselves in the Psalms *Forgotten Songs* seeks to reclaim the content in various areas of worship This book first examines biblical and historical foundations for the use of the Psalms in worship The Old Testament and New Testament are revisited noting the nature and purpose of the Psalms and how they were used Examples of the Psalms being employed by the Church Fathers and throughout the Reformation are also explored The second section of the book examines specific ways of using the Psalms in our worship today These aren't abstract ideas or suggestions but are examples from the personal and corporate lives of individuals who have been significantly impacted by the Psalms From group singing of the Psalms to praying Psalms publicly and privately to pastoral care and the place of lament *Forgotten Songs* will help others remember to actively use the Psalms in their own worship lives individually and corporately Contributors include such academicians and authors as Craig A. Blaising Douglas Bond Randall Bush Jack Collins Chad Davis J. Michael Garrett James H. Grant Jr James Richard Joiner Ray Ortlund Leland Ryken Calvin Seerveld Justin Wainscott and John D.
