

PRAYER FOR FLAG RAISING CEREMONY

January 20, 2020

Legislative Department

Our Gracious Heavenly Father. We praise and thank You for calling us to be Your people. We thank You for the times of triumph despite the ongoing challenges, knowing You have been with us always.

Have mercy for our failures, Lord, and make us into a people who will not forget You. Give us the grace to grow in love, service and obedience to Your laws.

We pray for our province - strengthen and defend us in our daily battles. Help us to fight for our province by being good citizens and being part of the solution. Keep safe our families and the Godly values we hold dear.

We pray for our people - that we may grow united in love and appreciation.

May we extend a hand to each other in selfless giving even when we feel we are the ones in need.

We pray for our leaders - give them Your heart and wisdom to govern humbly and justly. Make them worthy examples of righteousness for the whole citizenry to emulate.

We pray that You bless and prosper the fruits of our land and the works of our hands, that all of these may benefit your people in the province.

We claim Your victory in Our land and declare You as God of our province for blessed is the one who calls upon Your name. All of these things we ask, In the mighty name of Your Son, Jesus Christ. Amen.

Prayer For Flag Disposal Ceremony

Prayer For Flag Disposal Ceremony:

The Honor Guard Manual John Marshall, 2012-11-23 The DrillMaster's fifth book and the only honor guard manual with extensive descriptions and photos of all honor guard movements for every honor guard ceremony Pall Bearers Firing Party Color Team Color Guard 2 and 6 Man Flag Fold Cordon procedures Sword Manual Rifle Manual Flagstaff Manual and the only nationally published Manual of the Firefighter's Ceremonial Fire Axe and Ceremonial Pike Pole Based on the standards used by the American Military Presidential Honor Guard Units this manual even contains a sample training plan lesson plans and a complete training record for documenting honor guard member ceremonial training Whether your honor guard team is military law enforcement firefighter emergency medical forest service veteran or fraternal organization this manual is a must have

Burning the Flag Robert Justin Goldstein, 1996 In 1989 a political fire storm erupted after the United States Supreme Court declared that dissidents had the constitutional right under the First Amendment to burn the flag To some including President George Bush and many members of Congress the flag was a sacred symbol of American freedoms They believed its physical destruction posed a serious threat to the country and demanded a constitutional amendment to reverse the Court's decision For those who defended the Court's ruling flag desecration was a form of constitutionally protected free speech and any attempt to forbid such conduct was seen as creating a dangerous precedent *Burning the Flag* brings together the disciplines of law journalism political science and history to explain and place the development of the controversy in its full context It is based on extensive research in legal congressional and journalistic sources and on exclusive interviews with nearly 100 of the key players in the dispute among them flag burners judges lawyers and lobbyists on both sides members of Congress congressional aides and journalists A timely addendum chronicles the late 1995 attempts once again to pass a constitutional amendment on flag desecration adding to the significance of this readable account *Burning the Flag* will be of value to both an academic and a general audience particularly to civil libertarians flag buffs and those interested in popular media American politics modern American history and constitutional law

Flag Burning Michael Welch (Ph. D.), Responses to flag burning as a particular form of street protest tend to polarize into two camps one holding the view that action of this sort is constitutionally protected protest the other that it is subversive and criminal activity In this well researched and richly documented volume Welch examines the collision of these ideologies and shows the relevance of sociological concepts to a deeper understanding of such forms of protest In exploring social control of political protest in the United States this volume embarks on an in depth examination of flag desecration and efforts to criminalize that particular form of dissent It seeks to examine the sociological process facilitating the criminalization of protest by attending to moral enterprises civil religion authoritarian aesthetics and the ironic nature of social control Flag burning is a potent symbolic gesture conveying sharp criticism of the state Many Americans believe that flag desecration emerged initially during the Vietnam War era but the history of this caustic form of protest can be traced to the period leading up to the Civil War The act

of torching Old Glory differs qualitatively from other forms of defiance With this distinction in mind attempts to penalize and deter flag desecration transcend the utilitarian function of regulating public protest Despite popular claims that American society is built on genuine consensus the flag burning controversy brings to light the contentious nature of U S democracy and its ambivalence toward free expression The First Amendment of the U S Constitution is often viewed as one of the more unpopular additions to the Bill of Rights One constitutional commentator underscores this point by noting that the First Amendment gives citizens the right to tell people what they do not want to hear Flag Burning is a well written informative volume suitable for courses in deviance social problems social movements mass communication criminology and political science as well as in sociology of law and legal studies *Disabled American Veterans ... Stoner,2017-06-30 Campaign Crossroads looks back over the varied sometimes important sometimes irrelevant but always interesting presidential campaign cycles in Indiana s history By taking in the influences of technology transportation and communication itself we see an evolution in the political process that is not only altogether Hoosier but also altogether American in its quality and importance Using a narrative approach with a mix of primary and secondary sources the work examines not only the rhetoric of presidents and presidential hopefuls but also the nature of campaigns and their impact on Indiana communities While Indiana enjoyed the position of being a battleground state for the better part of a century from the 1870s until the 1960s it has also been ignored dismissed and has on occasion created unexpected political drama *Fast Track: American Government* The Princeton Review,2021-11-30 GET UP TO SPEED WITH FAST TRACK AMERICAN GOVERNMENT Covering the most important material taught in high school government classes this essential review book gets readers on the fast track to class success with critical information presented in an easy to follow quick study format Inside this book you ll find Clear concise summaries of the most important concepts institutions and policies covered in U S government politics social studies and
