

## Prayer of Thanksgiving and Intercession

All good gifts around us are sent from heaven above,  
so we lift our hearts up to you, God,  
in praise and thanksgiving.

As we count our blessings, and acknowledge your goodness,  
our hearts go out to those who do not have,  
and who are in need.

We thank you for plentiful harvests and full refrigerators  
and ask that you supply the needs of those who are hungry.

We thank you for jobs that provide for our families  
and supply the needs of our society,  
and pray that you would care for those who have no work,  
or the dignity and purpose it brings.

We thank you for opportunities and choices,  
for meaning and challenges,  
and pray that you would give a sense of purpose  
to those who feel trapped.

We thank you for family and friends who love us and care for us  
and pray that you would befriend those who are alone.

The abundance of the harvest  
is a symbol of the abundance of your love in our lives.  
May we live in a spirit of gratitude to you  
and generosity to our neighbour.

Loving God, in this season and all year long,  
give to us the gift of a thankful heart,  
so that we may acknowledge you as the giver  
of all that is good in our lives.  
In the name of Jesus we ask it.  
Amen.

## **Prayer Of Intercession And Thanksgiving:**

Thanksgiving and Intercession Lisa Patterson, 2020 The question guiding the research was as follows What impact does a disciplined thoughtful practice of thanksgiving and intercessory prayer done over time have on the group practicing the discipline and how does it change the participants view of life or view of the ones for whom they pray What I attempted to measure in this project was the impact on the ones who were praying intentionally and systematically the liturgical prayer of thanksgiving and intercession The project focused on observing and participating in the practice of shaping the believer through a consistent structured ritual practice of the prayers of the people that takes its shape from the ordo of the ancient church which is still used today My hope for the project was to discover that praying deeply and broadly might open a small group of participants to the possibilities of difference and the opportunities to bridge the deep chasms existing between so many groups in the world The project was designed to employ the methodology Gordon Lathrop outlines in *Holy Things A Liturgical Theology* discern the pattern practice the pattern and renew the pattern which carries with it the hope for renewal of the ancient for a new day Hoping that the project would move people beyond just talking about prayer I designed it so that the group would participate in prayer reflect on the prayers and reflect on their experience of the juxtaposition of participating in the classic liturgical prayer in the assembly and its use in daily prayer producing critique and new meaning out of the old In this project the participants had the opportunity to explore prayers of thanksgiving and lament with Christ at the seam The first ministry action taken was a six week class offered during the season of Lent March 6 April 24 2019 This class was designed to provide instruction and practice for the participants on the classic liturgical prayer of thanksgiving and intercession used in the Christian tradition and grounded in the biblical text as witness to it The second ministry action also took place during Lent Participants were asked to pray daily intercessory prayers using the classic liturgical prayer of thanksgiving and intercession from Sunday s assembly The third ministry action was administering short questionnaires to gather the data needed to address research question fully All group members were then invited to participate in a final interview with me following the six week class Finally the recap meeting provided the opportunity to share with the co researchers the tallied responses from each of the questionnaires and the interviews The summary of the questionnaires interviews and final recap meeting pointed to the same result an intentional practice of praying thanksgiving and intercessory prayer using the classic liturgical model changed the participants view of life and their view of the ones for whom they prayed

Illingworth** Sursum, 1899 **Sursum Corda** Sursum, 1898 *Catechetical Sessions on Christian Prayer* Laurie Delgatto, Mary Shrader, 2004 By teaching young people to pray you can open for them a way to communicate on a deeply personal level with God who is the source of all holiness By inviting them to explore different forms of personal prayer you will encourage them to expand their image of God and their expectations of prayer By challenging them to look at communal

prayer you will remind them that their role in building God's Reign and as a part of the Body of Christ is important, unique and valued. This manual can help you give young people the tools to pray all ways and always and enable them to build their relationship with God on a solid foundation.

**A Select Library of Nicene and Post-Nicene Fathers of the Christian Church: Sulpitius Severus. Vincent of Lerins. John Cassian, 1894** Philip Schaff, Henry Wace, 1894 *Intercession* Ormonde Plater, 1995-01-25 Intercession is an essential element of both public and private prayer. Using the Book of Common Prayer and the major elements of the Prayers of the People, Plater explains the construction of everyday litanies, collects and petitionary prayers, as well as the composition of intercessions for church seasons, holy days and special occasions. Plater begins by looking at the roots of intercession in the Bible, history and ancient belief and practice, and goes on to offer practical advice for creating corporate intercessions in the local community. Intercession is a useful aid for liturgical study and planning for priests, pastors, deacons, lay ministers and worship committees. Small prayer and intercessory groups will find it helpful for free form prayer that is creative and flexible yet grounded in prayerbook principles.

**COURTFARE (ADVANCE PRAYER SERIES)** ISAIAH MACWEALTH, Day and night our adversary, the Devil, the accuser of the brethren, accuses us before the Courts of Heaven and seeks to obtain injunctions to stop us from receiving answer to prayers and hinder us from walking in the fullness of God's purpose for our lives. Today, even as you read this book, he is still praying the court of heaven for an injunction against your life, career, health or business. And just like we see in the Bible regarding Job, he often times succeeds in his quest against us because we have not learnt how to approach the court ourselves and squash his case. This is Courtfare. **Stay, Watch, Pray** Frank Bahr, 2022-05-24 The disciples asked Jesus to teach them how to pray Our prayers must be genuine but what God wants from us in prayer may not readily spring to mind for example to honor the holiness of God s name or to pray for people who abuse us Does merely adding God turn a wish into a prayer How is prayer related to our understanding of who God is his omniscience love and power In prayer we expect God to act but how does that relate to our own love and work We pray in the name of Jesus So what difference does it make that God s Son became flesh suffered died and lives again How does the Holy Spirit lead in prayer Why does the Bible provide us with actual prayers Do language literary form location time and body language matter And what does it mean that the apostle cautions Rom 8 26 For we do not know how to pray as we ought Stay Watch Pray tackles these questions and more **Bill's Bible Briefs** Bill

**A Dictionary of Christ and the Gospels** James Hastings,2004-10 The purpose of this dictionary is to give an account of everything that relates to Christ His Person Life Work and Teaching It is in a sense complementary to the Dictionary of the Bible in which of course Christ has a great place But a dictionary of the Bible being occupied mainly with things biographical historical geographical or antiquarian does not give attention to the things of Christ sufficient for the needs of the preacher to whom Christ is everything This is first of all a preacher's dictionary The authors of the articles have been carefully chosen from among those scholars who are or have been themselves preachers And even when the articles have the same titles as articles in the Dictionary of the Bible they are written by new men and from a new standpoint It is thus a work which is quite distinct from and altogether independent of the Dictionary of the Bible It is called a Dictionary of Christ and the Gospels because it includes everything that the Gospels contain whether directly related to Christ or not Its range however is far greater than that of the Gospels It seeks to cover all that relates to Christ throughout the Bible and in the life and literature of the world There will be articles on the Patristic estimate of Jesus the Medieval estimate the Reformation and Modern estimates There will be articles on Christ in the Jewish writings and in the Muslim literature Much attention has been given to modern thought whether Christian or anti Christian Every aspect of modern life in so far as it touches or is touched by Christ is described under its proper title James Hastings 1852-1922 was a distinguished scholar and pastor He was founder and editor of the Expository Times and is also well known for editing the five volume Dictionary of the Bible as well as the Encyclopaedia of Religion and Ethics the Dictionary of Christ and the Gospels and the Dictionary of the Apostolic Church

1 and 2 Timothy and Titus John Calvin,1998-11-12 Original works by godly writers tailored for the

understanding of today's reader For hundreds of years Christendom has been blessed with Bible commentaries written by great men of God who were highly respected for their godly walk and their insight into spiritual truth The Crossway Classic Commentary Series carefully adapted for maximum understanding and usefulness presents the very best work on individual Bible books for today's believers Timothy and Titus were two of Paul's faithful associates When problems arose in a church Paul knew he could depend on either one of them to handle the situation In these three epistles Paul encourages his younger colleagues in their roles as pastors He advises them on worship leadership integrity issues and generation gaps With confidence the aging apostle passes the torch of faith and exhorts them to be Christ's representatives on earth John Calvin's exploration of the key passages of these three pastoral epistles not only provides historical insight into the early church but also guidance and encouragement for pastors and lay leaders today
