Stahmann, William J. Hiebert, 1997-05-28 Following the success of the first two editions of this book the authors have updated their indispensable guide on the process and content of premarital counseling The book is filled with practical and effective hands on questionnaires and instruments that have been newly revised and widely tested by the authors *Premarital Counseling DIY Handbook* Judith Roberts, 2014-10-03 If you want to strengthen the foundation of your relationship through DIY premarital counseling then this book is for you So you've finally found and committed yourself to the person you're sure is The One Yet you're two different people Sometimes those differences amuse you please you and uplift you But other times they really worry you You've considered the prospect of in person premarital counseling but the idea concerns both you and your partner The thought of laying it all out in the open in front of a stranger who may then deliver a judgment that neither of you are comfortable with is a disconcerting one But don't let your or your partner's repulsion to the idea of pre marriage counseling dissuade you from having those really important conversations about key topics that can determine your aptitude for marital bliss for years to come Instead why not embark on a Do It Yourself journey through the foundation of your relationship and come out the other side having a better understanding of your partner and feeling more comfortable about your future together Let's get started **Pre-marital Counseling Guide** Granger E.
