*Steps to the Sermon* H. C. Brown,Jesse J. Northcutt,H. proper place in Pentecostal history Along with primary and secondary sources the important element of living archives is investigated in this work these are interviews with people who participated in historical music events in the Church of God The book also relies upon musical examples to explore the influence of music upon the shaping of the denomination s history and theology     Urban Sociology and Urbanized Society J.R. Mellor,2013-04-15 Focusing on urban sociology as practised in Britain the author argues that it is a key element in the response of the intellectual proletariat to urbanization and the calls on it by the State to control the ensuing way of life The themes of urban sociology have been the concerns of the Welfare State and despite radical inputs the discipline has remained tied up with the assumptions and methodological precepts of liberalism The author s contention is that urbanization should be analysed in the framework of the political economy of regional development This book was first published in 1977     Methodist Magazine and Quarterly Review ,1930     **The Congregationalist** ,1923
