one of Russia s most exalted noble families Grigorii N Trubetskoi was a unique and contradictory figure during World War I A
lifelong civil servant and publicist he began his diplomatic career in Constantinople where he served as first secretary of the
embassy there for several years He became one of the leaders of an important political orientation among the liberals that
began to express opposition to the tsar not only on questions of political freedom and domestic political reform but also by
criticizing the tsar s foreign policy on nationalistic grounds Trubetskoi possessed significant influence over Russian foreign
policy and was instrumental in pushing the regime toward an aggressive annexationist stand in the Balkans When the
Russian ambassador to Serbia died suddenly in June of 1914 Trubetskoi was appointed as his replacement situating him at
the center of Russian diplomacy during the decisive period of Russia s entry into the war His account of this period serves as
an important reference for the study of the war s outbreak Trubetskoi also discusses how he drafted the proclamation on
Poland and gives a revealing account of its origins A valuable source on the major historical problem of the entry of Turkey
