**Narrator** : Once upon a time there was a very beautiful blond girl who lived in a village near the forest with her mother. One day her grandma gave her a very nice red riding cloak that is why everybody in the village called her Little Red Riding Hood. One day...

**Little Red Riding Hood**: Did you call me, mom?

**Mother** : Yes, Little Red Riding Hood. Your grandma is very sick. I want you to go to her house and take her this little basket with some bread and honey.

**Little Red Riding Hood**: Yes, mom.

**Mother** : But don't stop in the forest, and don't talk to stranger. Do as I say, and get soon to your grandma's house.

**Little Red Riding Hood**: Yes, mom.

**Narrator** : And Little Red Riding Hood went through the forest with the little basket for her grandma who lived in a nearby village. Along the way, she saw many beautiful flowers in the forest.

**Little Red Riding Hood**: Oh, what a beautiful flowers! I will take some to my grandma.

**Narrator** : She left the little basket in the ground to pick up some flowers, when suddenly...

**Wolf** : Good morning Little Red Riding Hood! Ha, ha, ha, ha, ha.

**Little Red Riding Hood**: Good morning, Mr. Wolf.

**Wolf** : Where are you going so early?

**Little Red Riding Hood**: I am going to my grandma's house to take her this little basket with some bread and honey.

**Wolf** : Ha, ha, ha, ha, ha... and does your grandma live far from here, Little Red Riding Hood?

**Little Red Riding Hood**: Oh no, Mr. Wolf, she lives just across the forest in the first little house in the village... the one with the white door.

**Wolf** : Good-bye, Little Red Riding Hood. I hope she gets better. And look, do you see that road?

**Little Red Riding Hood**: Yes, I do.

**Wolf** : Just follow that road and you will get soon to your grandma's house.

**Marvelous Geometry** Jessica Tiffin, 2009-04-19 Explores self consciousness and metafictional awareness in modern fairy tale and its expression across literary fairy tale popular fairy tale and fairy tale film In *Marvelous Geometry* Jessica Tiffin argues that within twentieth and twenty first century Western literature there exists a diverse body of fairy tale texts that display a common thread of metafictional self awareness The narrative pattern of these texts is self conscious overtly structured variously fantastical and Tiffin argues easily recognized and interpreted by modern audiences In this broadly comparative study she explores contemporary fairy tale fictions found in modern literature and live action and animated film and television to explore fairy tale s ability to endlessly reinvent itself and the cultural implications of its continued relevance Tiffin s skilled analysis draws on the critical fields of postmodernism narratological analysis stucturalism feminism and performativity without relying solely on any one perspective She considers important fairy tale retellings such as the feminist revisions of Angela Carter the postmodern narratives of A S Byatt as well as fairy tales written for children by James Thurber She also investigates both popular and high art films contrasting Cocteau and Neil Jordan to Hollywood romances and Disney and analyzes the differences between animated features and live action productions Finally Tiffin uses a case study of the recent successful *Shrek* films to situate the fairy tale in the twenty first century as an endlessly adaptable folk narrative that self consciously and affectionately reflects generic structures and significant cultural assumptions *Marvelous Geometry* covers a wide range of familiar and unfamiliar primary texts from a novel and fruitful perspective Tiffin s focus on the metafictional nature of the fairy tale turns readers attention to the genre s narrative structure and aesthetic qualities without ever losing sight of the fairy tale s sociocultural impact as powerful marvelous narrative Scholars of literary and fairy tale studies will enjoy Tiffin s expansive analysis

**Acting on the Script** Bruce Miller, 2014-08-01 Mastery of craft depends on repetition the more opportunities student actors have to be guided through analyzing scripts the more likely they are to develop a reliable process for making choices when the time comes to work independently That s why *Acting on the Script* contains eight short plays which can be used independently or as parts of one full length play giving aspiring actors the practice they need to tell the story of the play and of their characters clearly believably and compellingly With each new scene readers are given the opportunity to think through the analysis and synthesis process independently then they are guided clearly through that process The first section reintroduces the basic elements of acting craft The book then lays out how these elements relate to a script in general and then more specifically by using a short play to illustrate the basic principles The second section focuses on specific analysis and synthesis problems using original scenes especially composed to help students develop their analysis and choice making

skills and to address individual acting issues The plays already tested in classes and two productions one professional and one college are filled with the kinds of acting problems that beginning actors often have trouble with and need to learn to solve In addition specific problems that actors might have with certain types of material are addressed as well
