Evidence-based Teaching Virginia R. Cassidy,1999 Analyzes current educational research in subjects including the basics of evidence based teaching mentorship in nursing education the teaching of psychomotor nursing skills in simulated learning labs academic dishonesty and prediction of success on the registered nurse licensure examination Ann Nursing Programs - 2010 Peterson's,2009-04-22 Presents brief profiles of over three thousand undergraduate graduate and postdoctoral nursing programs in the U S and Canada listing nursing student resources and activities degree programs and full time part time and distance learning options **From Student to Nurse** Ida Harper Simpson,Kurt W. Back,1979-12-12 In this study of student nurses at Duke University Professor Simpson challenges earlier research by demonstrating that a professional school does socialise its students In addition by constructing a model that brings together competing theories of socialisation she finds that socialisation is not necessarily cumulative or unidirectional Conceptualisations that focus on individual students such as those emphasising role modelling student values or peer relations obscure the most significant conditions and processes The program of a school is the fundamental structure of occupational socialisation and this structure not its students should be blamed for failures and praised for success **Public Health Reports** ,1991
