Somewhere in the Middle Geoffrey D'Ombrian, 2021-12-05. So many stories have come down to me about my remarkable family going right back to escaping from France in an open boat in 1572. There was a great grandfather who was City Surveyor of the Melbourne Corporation and a remarkable hero Sir James D'Ombrian who refused to follow Westminster orders and delivered grain aboard the revenue cruisers to the starving in Ireland during the potato famine. Then at age ninety I am blessed with a clear memory going right back to the days when I was but three years old. I have so many memories I wish to share. Some are amusing and some hard to believe. There are simple stories that bring life to many family members I have known past and present. A love of the sea and craft that sail upon it is also woven through the text. I tell stories of friends and people whose contributions to society should not be forgotten. I tell the story of how I came to establish a ground-breaking tertiary music education program. I share my reflections on war, religion, and politics and tell some amazing tales of closer contact with our remarkable First Nations Australians. Our family has long displayed a passion for botanical and zoological pursuits. It is appropriate that I conclude the book with a few unbelievable stories about my encounters with birds. In all my stories I am somewhere in the middle, closely watching life's cavalcade. *Health Services Reports*, 1954 **Items of Interest**, 1902 **Los Angeles School Journal**, 1919 **Public Health Reports**, 1954 *British Journal of Dental Science*, 1912 *British Journal of Dental Science and Prosthetics*, 1912 **First Corinthians - Women's Bible Study**

Participant Book Melissa Spoelstra, 2016-08-02 Relationships are messy We re all different and imperfect and we can struggle to get along especially with those who disagree with us Often we find ourselves divided even as Christians How can we work out our differences and disagreements with humility and grace always showing the love of Christ while still remaining true to what we believe The Apostle Paul wrote to the Christians living in Corinth about this very thing The cultural backdrop of Corinth was even more overtly sinful than our culture today yet Paul boldly encouraged the Corinthian Christians not to ridicule one another or outsiders but to work together to show the love of Christ In this six week study we will explore Paul s first letter to the Corinthians to learn how we as Christians are to deal with differences and divisions whether in the workplace neighborhood school home social media community or church We ll discover that the answer is living and sharing the radical love of Jesus Christ and we ll unpack what this means and how we can live it out day by day The Participant Book includes five days of lessons for each week combining study of Scripture with personal reflection application and prayer Other components for the Bible study available separately include a Leader Guide DVD with six 25 30 minute sessions and boxed Leader Kit an all inclusive box containing one copy of each of the Bible study s components
