School Youth Sunday School Lesson:

The 13 Most Important Bible Lessons for Teenagers Group Youth Group Youth Ministry Resources, 2015-11-06 Students who've experienced the Bible's great truths not just read about them can walk through their lives with a firm foundation under their feet. They know what they believe and why and they feel a lot more comfortable in situations that are challenging to their faith. This collection of lessons covering the most important truths in the Bible gives you an easy-to-use resource that will plunge your teenagers into the beautiful basics: the reality of God in the world, the truth about who Jesus really is and why all of us need a Good Shepherd to find us and reclaim us. 13 powerhouse lessons in all. And because they're created by the editors of Group Simply Youth Ministry, every lesson uses the R E A L learning approach: Relational, Experiential, Applicable, and Learner-based. This approach is not only easy to lead but also guarantees that your students will engage with these great truths. They'll learn how to live out their relationship with Jesus in their everyday lives as they wrestle with issues that really matter. Why bad things happen to good people and how Jesus brings beauty out of ugly. What it means to grow into Jesus, living and loving others the way he does, and Learning how to depend upon the Holy Spirit in life. No matter what the life issue, the Bible offers foundational truths that can help your students live more confidently with a deeper, ongoing connection to Jesus. And our concise instructions and easy-to-use reproducible handouts make your job easy. Use these lessons as spice in between a teaching series or build a series around them. Also, they're easily adapted for a confirmation setting, a new believers class, a grow-deep discipleship group, or even Sunday school. *Help! I Teach Youth Sunday School* Brian Foreman, Bo Prosser, David Woody, 2004. For today's youth, life is filled with new choices, new decisions, new feelings, new perspectives, and new freedoms. During this time, teens are forming the belief systems that will influence their adult faith and their ideas about the nature of God, the Bible, and the church. Will teen involvement in church youth programs provide them with a framework for making important choices? Will this time nurture values and encourage their emerging identities to be deeply Christian? Something wonderful can happen when you mix teenagers, the Bible, and an enthusiastic teacher together. Many teenagers are hungry to learn about the Bible, what it means, and how it can be applied to their lives. Traditionally, this type of education happens in Sunday School. Unfortunately, too many Youth Sunday School teachers are not prepared or feel inadequate when it comes to teaching teens. They do their best, but all they are doing is surviving the Sunday school hour. *Help! I Teach Youth Sunday School* offers the Sunday school teacher specific tips and hints to prepare for and care for teens. Real-life stories are mingled with information on Youth and their culture, common myths about Sunday school, a new way of preparing the Sunday school lesson, creative teaching ideas, ways to think about growing a class, and how to reach out for new members while reaching in to old members. *The Sunday-school Movement and the American Sunday-School Union* Edwin Wilbur Rice, 1917. **Creative Bible Lessons in Galatians & Philippians** Tim McLaughlin, J.
