It acts as the medium to make our ideas, thoughts and feelings understood and appreciated. Like art, language can touch the heart and inspire the soul. And at the heart and soul of a language lies its grammar. Grammar helps the learners build a firm foundation for using the language. It is therefore very important for learners to develop the grammar skills that they need in order to express themselves meaningfully and creatively. Step up English Grammar and Composition 1 to 8 is an NEP aligned, carefully graded grammar series developed to address the need of a systematic and step-wise strategy for understanding grammar. The series is based on the eclectic approach to language acquisition and presents a smooth blend of the inductive as well as the deductive method of teaching and learning the language. Each concept has been covered in detail and great care has been taken to offer the relevant core concepts for the learners at each level. Last but not least, the utmost care has been taken to encapsulate in the series the key parameters laid down in National Education Policy (NEP) 2020. The NEP places the learner at the heart of the teaching learning process. In recent years, there has been a paradigm shift towards designing a learner-centric curriculum that is based on an activity-based approach. There is also an equal emphasis on equipping young learners with essential twenty-first century skills. The text as well as the activities in the book promote the holistic development of the learners. Besides, there is a

lot of emphasis on enhancing the creativity critical thinking and communication and collaboration skills of learners Salient Features of the Book A conscious effort has been made to incorporate the major NEP specifications Simple clear and detailed explanations of essential grammatical concepts have been given Explanations are followed by ample examples and a variety of well graded exercises to reinforce the concepts Simple and clear instructions have been given in the exercises for easy understanding Fun based art integrated exercises together with a wide range of activities like grids and puzzles have been used to bring the joy of learning to the classroom There is also a great emphasis on building cross curricular grade appropriate vocabulary through exercises and comprehension Speaking activities have been made a part of the grammar exercises to instil more confidence in the learners All the explanations and exercises have been coupled with learner friendly layout and illustrations for additional support Test papers have been introduced periodically to check if the learners have grasped the concepts Teacher s Resource Books comprise lessons plans additional activities and teaching guidelines along with the answer key for each book They are meant to serve as a handy aid for teachers and facilitate a wholesome teaching learning experience We hope this series caters to the requirements of the teachers as well as the students and meets our expectations in serving as a guide to the next generation of global citizens While every possible effort has been made to avoid errors and omissions any constructive suggestions for the improvement of the series will be welcomed and incorporated in future editions Publishers A guide to English grammar ,2011 **Basic English Grammar Learn by Doing** Dr. Arun Jee,2023-04-14 This is a book of basic English grammar for the elementary level of learners It can even be used by those who want to brush up their basics Unlike the prevailing books on grammar in the market the focus of this book is not on learning the definitions of grammatical terms Instead efforts are made to let the learners identify these items and understand their functions Rational explanations are given for the learner to understand the rules with ease Special care is taken to expose the learners to the unique features of the English language This is to help them avoid committing common errors Exercises are prepared to address these errors too The Answer Keys to the exercises are a part of the book The book can be used as a course for learners to acquire the basics of grammar It may be used as a grammar book for classes 5th to 8th in the CBSE schools and for classes 9th and 10th in the State Board schools in India Basic English Grammar Learn By Doing by Dr Arun Jee Authored by Dr Arun Jee this book is likely an educational resource for learning and understanding the fundamentals of English grammar It may employ a hands on approach to help learners grasp essential grammar concepts Key Aspects of the Book Basic English Grammar Learn By Doing Grammar Learning Dr Arun Jee s book may provide learners with a practical and interactive way to study English grammar Hands On Approach The book likely encourages active participation and application of grammar rules through exercises and examples Educational Resource Basic English Grammar Learn By Doing may serve as a valuable tool for individuals seeking to improve their English language skills Dr Arun Jee is likely an educator and grammar enthusiast dedicated to facilitating English language learning through practical methods Oxford English
