Abraham,2024-11-09 This book is not an intellectual book Nor is it thought provoking It is meant to be a hoot It has no plot no love story no crime no conspiracy It is stark in its simplicity In as much as I mean for it to transport the readers like a time machine back into the fifties and sixties I hope it will also help to prove the theory that a Malayalee can be found anywhere on Earth even on the edges of the forests of a little known place called Perlis in Malaya This book is about the everyday affairs in the mundane life of an ordinary person narrated in an ordinary way The subtle humour I ve tried to weave into every situation should bring a smile to your face otherwise my purpose is lost As you turn the pages you re bound to find that however modest you thought life might be there are pitfalls and traps strewn your way If you can bring all these elements together season it with some entertainment and wit for it is that final component that sets apart the ordinary from the fascinating then my darlings consider yourselves lucky for you ve lived a brilliant life This book is testimony to that
