New York Politics Edward V. Schneier, Brian Murtaugh, 2015-01-28 Most New Yorkers have very little knowledge of how influence is wielded in Albany This acclaimed book offers a chance to look behind those closed doors The authors an Albany based political scientist and a former State Assembly member now joined by an expert on political blogging and networking infuse their discussion of institutions and processes with the drama and significance of real power politics Completely revised and updated with extensive new material the book covers recent political developments and electoral contests as well as all the basics constitutional issues historical economic social and demographic factors the functioning of executive legislative and judicial institutions urban local and special district governments parties interest groups and bureaucracies and finance budgets health education and welfare programs Throughout the authors are attentive to the many paradoxes and dualities that distinguish political social and economic life in the Empire State

The Two New Yorks Gerald Benjamin, Charles Brecher, 1988-12-15 Over the past eight years a marked shift in the national political mood has substantially reduced the federal government's involvement in ameliorating urban problems and enhanced the prominence of state and local governments in the domestic policy arena Many states and big cities have been forced to reassess their traditionally vexed relationships Nowhere has this drama been played out more stormily than in New York In *The Two New Yorks* experts from government the academy and the non profit sector examine aspects of an interaction that

has a major impact on the performance of state and city institutions The analyses presented here explore current state city strategies for handling such troubling policy areas as education health care and housing Attention is also given to important contextual factors such as economic and demographic trends and to structural features such as the political framework relationships with the national government and the system of public finance Despite its uniquely large scope the drama of the new New Yorks parallels or presages issues faced by virtually all large cities and their states This unprecedented study makes a vital contribution in an era of declining federal aid and pressing urban need *Clearinghouse Review* ,1999

Public Health Reports ,2007 *Congressional Record* United States. Congress,1968 Public Policy Michael E. Kraft,Scott R. Furlong,2017-04-28 In Public Policy Politics Analysis and Alternatives students come to understand how and why policy analysis is used to assess policy alternatives To encourage critical and creative thinking on issues ranging from the federal deficit to health care reform to climate change authors Michael Kraft and Scott Furlong introduce and fully integrate an evaluative approach to policy The Sixth Edition of Public Policy offers a fully revised concise review of institutions policy actors and major theoretical models as well as a discussion of the nature of policy analysis and its practice Both the exposition and data have been updated to reflect major policy controversies and developments through the end of 2016 including new priorities of the Donald Trump administration **PROP - Foundation of Pharmaceutical Care Custom E-Book** Anthem,2014-04-25 PROP Foundation of Pharmaceutical Care Custom E Book *Policy and Politics for Nurses and Other Health Professionals* Donna Nickitas,Donna Middaugh,Nancy Aries,2010-10-25 Policy and Politics for Nurses and Other Healthcare Professionals Advocacy and Action provides a nursing focus within an interdisciplinary approach which intertwines to create an understanding of economics politics and policy in relation to health care Contributors to this text offer future nurses and healthcare providers keen insight about clinical practice and its derivation from regulation laws and policies that have roots in public policy and politics This innovative text also offers practical knowledge on how healthcare professionals can get involved and be proactive in the policy that directly affects their profession and patients Key pedagogical features include chapter objectives summaries examples boxed articles case studies review questions key terms photographs and a tool kit that includes a skills section Policy and Politics for Nurses and Other Health Professionals Donna M.
