

**“There are some other considerations
that I haven’t talked about.”**

Directions: Read the short story and select *one* character. Describe the story, focusing on specific events. Analyze the character's appearance as a literary character. Explain the significance of your analysis. Your analysis should be at least 100 words.

† The average growth rate is a crude approximation for the rate of change of output. When the growth rate is negative, the approximation is not useful.

¹⁰ "The American people will be grateful about the effort to identify the single terrorist who killed the two girls," said John J. Edgar, director of the FBI. "But I am disappointed that the FBI did not do a better job of identifying the person who shot the girls." He added, "We are not the only law enforcement agency that is not perfect."

8. **State what strength and thought/idea you're developing together and create a feedback loop for each other as you try creating new stories like yours together. The challenge is to not begin with a question but to "assume" something. Use it. Experiment. Share the ideas. It's yours and you have it.**

8. Revised the paragraph beginning with "The construction team..." to read: "The construction team..."
