Moscow Mule with Whiskey Randy Woodward, 2020-12-29

Some of the most asked questions about whiskey include is it spelled as whiskey or whisky is bourbon a whiskey How about scotch All of these are true in some way Actually there isn't just one type of whiskey in fact there are about nine of them And the spelling debate can be put to rest as they are both correct depending on what type of whiskey it is or rather the location that it was made in In other news the Moscow mule is an iconic and famous cocktail that has grown in different versions in terms of the alcohol used as a replacement of the original one which is vodka Given that whiskey is one of the most popular alcoholic beverages there is as can be proven by its numerous types it also has made its way to the iconic drink Perhaps the most famous variation of the Moscow Mule with whiskey is what's called the Kentucky Mule which is made from bourbon an American whiskey The Kentucky Mule is preferred by some people because they may find the vodka less flavorful compared to the boldness and variety of flavors that whiskey offers But then again not everyone is the same so you can freely choose

which to like more Aside from this we will also be providing recipes using the other types of whiskeys and other whiskey mule spinoffs Peach Whiskey Sour and Other Recipes Randy Woodward,2021 Ah the whiskey sour one of the oldest cocktails that we still know and love today It was once just a simple cocktail but has grown to be more complex as time went by Nowadays a surprising element is added to contribute to its overall appeal an egg white That s right an egg white freshly cracked from the shell Though this may seem scary for some that fear will ultimately fade away as you get to taste it People love it for its creamy texture a hint of sourness and its booze The whiskey sour dates back to 1862 when it was written by Jerry Thomas in the book *The Bartender s Guide* but its inception go way back in the 1700s on naval ships to battle some nasty issues like malnutrition and scurvy It was a simple recipe back then with just three ingredients a base spirit citrus juice and water Over time sugar was added to balance the flavors and eventually the egg white element was incorporated into the whiskey sour cocktail The drink became so popular that variations sprouted everywhere whether using different alcohols or adding some fruit to it One of which is the peach whiskey sour The sweetness of the peach really plays well with the tanginess of the lemon and the heat of the whiskey resulting in a delicious package A few months from now specifically on August 25 is the National Whiskey Sour Day so be sure to try this out or if you can t wait that long gather your ingredients and tools and whip it up now *Single Malt Whiskey* Umberto Angeloni,2002 A tribute to a culture that has made whisky its drink of choice The perfect gift for the whisky lover of Italian culture Highlights essentials for enjoying whisky such as decanters and appropriate foods
