Introduction to Private Investigation Joseph Anthony Travers, 2005 Introduction to Private Investigation is designed to provide the essential knowledge and procedures needed to operate successfully as a private investigator It is both an instructional textbook for those individuals desiring a career as a private investigator and a resource manual that can be an invaluable tool for later reference The approach is a direct concise style which facilitates comprehension by novices as well as experienced private investigators and makes possible competent and professional performance of all types of private investigation The purpose for writing this book is to fill the existing need within the field for a precise comprehensive text detailing the development of skills necessary for professional investigative work In addition there is a lack of recent up to date textbooks currently available to individuals wishing to learn about private investigation

Introduction to Private Investigation will help fill this void This easy to read textbook for investigators is filled with practical information and stories that will provide extremely valuable training One unique attribute of the book is its commitment to the practice of private investigation in the private business sector as well as the public sector Another notable quality is its concern with both the portrayal of private investigation as a legitimate professional discipline and the subsequent degradation of the popular media propagated misconceptions of private investigators Two new chapters have been added in this second edition Criminal Defense Investigation and Bioethics Investigation and the Occult due to a complete lack of material for each subject pertaining to Professional Investigation It will enable the professional investigator or apprentice to sharpen the skills they use every day Be it undercover surveillance interviewing case preparation or courtroom testimony even the most seasoned veterans understand the need to be on top of their game in order to provide clients with the best possible results This book will help you accomplish that understanding It will provide you with the basic skills knowledge and required tools before you go into battle with the Scales of Justice

A MANUAL OF PRIVATE INVESTIGATION TECHNIQUES William F. Blake,2013-02-01 This book will help the private investigator reevaluate business opportunities and identify goals for the future The world of the private investigator is constantly changing due to the introduction of various legal requirements that have restricted or eliminated some of the methods available for obtaining information such as the various privacy protection acts Additionally most private investigators have restricted their business activities to a response mode that is conducting inquiries after an incident has occurred Their preventive skills have been ignored to their financial detriment As restrictions continue to be placed on private investigative activities private investigators need to reevaluate personal skills and discover how these may relate to expanding their services This book provides the necessary information for learning about these new skill areas and provides the necessary strategies for their implementation Some of the topics cover crime and loss prevention strategies risk assessment and prevention strategies Many other topics are also covered such as that of the expert witness This is not a difficult status to attain but requires unique skill sets and experience and can be highly lucrative Crises management is another skill set that is explored here It not only identifies potential risk areas through risk assessment activities but includes development and implementation of preventive measures and shows how the private investigator can assist in restoring business operations to their normal levels This book will be of enormous help to private investigators who wish to develop these sophisticated investigative business skills and preventive services in order to meet these challenges for surviving and thriving in this modern age industry
