Franks, 2018-05-04 This book sheds

light on experiences relatively underrepresented in academic and non academic sport history It examines how Asian and Pacific Islander peoples used American football to maintain a sense of community while encountering racial exclusion labor exploitation and colonialism Through their participation and spectatorship in American football Asian and Pacific Islander people crossed treacherous cultural frontiers to construct what sociologist Elijah Anderson has called a cosmopolitan canopy

under which Asian Americans Pacific Islanders and people of diverse racial and ethnic identities interacted with at least a semblance of respect and equity And perhaps a surprising number of Asian Americans and Pacific Islanders have excelled in college and even professional football before the 1960s Finally acknowledging the impressive influx of elite Pacific Islander gridgers who surfaced in the late twentieth and early twenty first century it is vital to note as well the racialized nativism shadowing the lives of these athletes
