

## Persuasive Speech Pro Death Penalty

What is the death penalty? What is its purpose? Do you know anyone that has went through it? Well first, I would like to say good afternoon. I will be speaking on the crucial subject of death sentences. The death penalty has always been a topic of discussion for many centuries, and has been given to people legally convicted of capital crime, typically murder. People in support of this act believe that convicted murderers must face execution as a consequence for their actions. Others against it believe that the penalty is nothing but legalized murdering and is immoral. The death penalty has been widely used in the United States as I think the death penalty should be banned because we pay millions for the death penalty system, it puts innocent lives at risk, and there's a better option to consider which is life without parole.

The death penalty should be banned because, first, we pay millions for the death penalty system. Oregonians for Alternatives to the Death Penalty organization stated, "Washington county murder cases cost more than 1.5 million." Also the organization stated that, "It's estimated that the total prosecution and defense costs to the state and countries equal 9 million per year." Another piece of evidence stated that "the Oregon Judicial Department would save 2.3 million annually if the death penalty were eliminated." This proves and gives an example of how the Washington county murder cases in Oregon are costly, and the death penalty would even

*The Psychology and Law of Criminal Justice Processes* Roger J. R. Levesque, 2006 Psychological science now reveals much about the law's response to crime This is the first text to bridge both fields as it presents psychological research and theory relevant to each phase of criminal justice processes The materials are divided into three parts that follow a comprehensive introduction The introduction analyses the major legal themes and values that guide criminal justice processes and points to the many psychological issues they raise Part I examines how the legal system investigates and apprehends criminal suspects Topics range from the identification searching and seizing to the questioning of suspects Part II focuses on how the legal system establishes guilt To do so it centres on the process of bargaining and pleading cases assembling juries providing expert witnesses and considering defendants mental states Part III focuses on the disposition of cases Namely that part highlights the process of sentencing defendants predicting criminal tendencies treating and controlling offenders and determining eligibility for such extreme punishments as the death penalty The format seeks to give readers a feeling for the entire criminal justice process and for the role psychological science has and can play in it

*The International Library of Essays on Capital Punishment, Volume 1* Peter Hodgkinson, 2016-12-05 This volume provides up to date and nuanced analysis across a wide spectrum of capital punishment issues The essays move beyond the conventional legal approach and propose fresh perspectives including a unique critique of the abolition sector Written by a range of leading experts with diverse geographical methodological and conceptual approaches the essays in this volume challenge received wisdom and embrace a holistic understanding of capital punishment based on practical experience and empirical data This collection is

indispensable reading for anyone seeking a comprehensive and detailed understanding of the complexity of the death penalty discourse      **Capital Punishment in Twentieth-Century Britain** Lizzie Seal, 2014-03-05 Capital punishment for murder was abolished in Britain in 1965 At this time the way people in Britain perceived and understood the death penalty had changed it was an issue that had become increasingly controversial high profile and fraught with emotion In order to understand why this was it is necessary to examine how ordinary people learned about and experienced capital punishment Drawing on primary research this book explores the cultural life of the death penalty in Britain in the twentieth century including an exploration of the role of the popular press and a discussion of portrayals of the death penalty in plays novels and films Popular protest against capital punishment and public responses to and understandings of capital cases are also discussed particularly in relation to conceptualisations of justice Miscarriages of justice were significant to capital punishment's increasingly fraught nature in the mid twentieth century and the book analyses the unsettling power of two such high profile miscarriages of justice The final chapters consider the continuing relevance of capital punishment in Britain after abolition including its symbolism and how people negotiate memories of the death penalty **Capital Punishment in Twentieth Century Britain** is groundbreaking in its attention to the death penalty and the effect it had on everyday life and it is the only text on this era to place public and popular discourses about and reactions to capital punishment at the centre of the analysis Interdisciplinary in focus and methodology it will appeal to historians criminologists sociologists and socio legal scholars

**Social Work, Criminal Justice, and the Death Penalty** Lauren A. Ricciardelli, 2020-08-10 Social workers have their hands in a lot of big sociopolitical issues When it comes to the death penalty their involvement is especially crucial Social workers might support those receiving the sentence engage with the families of those sentenced participate in mitigation work examine the critical discourse psychiatric psychological and legal leading up to and after the sentence contribute to research surrounding mental health as it relates to the criminal justice system or even use social advocacy and policy practice to examine the death penalty In **Social Work Criminal Justice and the Death Penalty** professionals with backgrounds spanning law forensics academia and social work combine and explain their experiences surrounding this prominent social justice issue The book is broken into three sections Criminal Justice Considerations Sociopolitical Considerations and Applied Social Work Considerations Across each section chapters provide explicit implications for the social work professional in a criminal justice setting The resulting volume equips beginning professionals and students with a holistic overview of the intersection of criminal justice and social justice      *Unpacking the Death Penalty in ASEAN* Sriprapha Petcharamesree, Mark P. Capaldi, Alan Collins, 2023-03-20 This book contributes conceptually theoretically and morally to a deeper understanding of the distinctive Asian perceptions of punishment justice and human rights Researched and prepared by scholars who have not only been conducting studies on the death penalty in the region but have also been advocating for legal reforms this edited book touches upon the different justifications for the use of capital punishment in the ASEAN region exposing the secrecy

sensitivities and dilemmas that mask violations of international human rights laws The chapters bring in numerous new perspectives which have been overlooked in the traditional discourse surrounding the use of the death penalty such as that around crimes that do not meet the threshold of most serious the dignity of death row inmates and their families contradictions within religion and capital punishment and the way in which growing authoritarianism and the media are adversely influencing the public's perception and support for capital punishment in the region In examining how public opinion shapes state policies towards the death penalty and how it varies according to different offences and different states the authors critically analyse how the international human rights mechanisms have specifically called for ASEAN member states to refrain from extending the application of the death penalty and to limit it to the most serious crimes Relevant to socio legal scholars focused on crime and punishment in Southeast Asia and in the Global South more broadly this is a landmark collection in criminology and human rights scholarship Chapter ASEAN and the Death Penalty Theoretical and Legal Views and a Pathway to Abolition is available open access under a Creative Commons Attribution 4.0 International License via [link.springer.com](https://link.springer.com)

**The Death Penalty in China** Bin Liang, Hong Lu, 2015-12-01 Featuring experts from Europe Australia Japan China and the United States this collection of essays follows changes in the theory and policy of China's death penalty from the Mao era 1949-1979 through the Deng era 1980-1997 up to the present day Using empirical data such as capital offender and offense profiles temporal and regional variations in capital

punishment and the impact of social media on public opinion and reform contributors relay both the character of China's death penalty practices and the incremental changes that indicate reform. They then compare the Chinese experience to other countries throughout Asia and the world showing how change can be implemented even within a non democratic and rigid political system but also the dangers of promoting policies that society may not be ready to embrace. *Death Penalty* JoAnn Bren Guernsey, 2009-09-01 Discusses the history of execution the process from sentencing to execution moral issues involved in the death penalty arguments for and against it and the shrinking number of countries with it. **Crime and Delinquency**, 1980

The Cambridge Handbook of Social Problems: A. Javier Treviño, 2018-03-22 The introduction of the Affordable Care Act in the United States the increasing use of prescription drugs and the alleged abuse of racial profiling by police are just some of the factors contributing to twenty first century social problems. The Cambridge Handbook of Social Problems offers a wide ranging roster of the social problems currently pressing for attention and amelioration. Unlike other works in this area it also gives great consideration to theoretical and methodological discussions. This Handbook will benefit both undergraduate and graduate students eager to understand the sociology of social problems. It is suitable for classes in social problems current events and social theory. Featuring the most current research the Handbook provides an especially useful resource for sociologists and graduate students conducting research. **Federal Probation**, 1984 **Behavioral Economics**

Edward Cartwright, 2024-01-22 Over the last few decades behavioral economics has revolutionized the discipline. It has done so by putting the human back into economics by recognizing that people sometimes make mistakes care about others and are generally not as cold and calculating as economists have traditionally assumed. The results have been exciting and fascinating and have fundamentally changed the way we look at economic behavior. This textbook introduces all the key results and insights of behavioral economics to a student audience. Ideas such as mental accounting prospect theory present bias inequality aversion and learning are explained in detail. These ideas are also applied in diverse settings such as auctions stock market crashes charitable donations and health care to show why behavioral economics is crucial to understanding the world around us. Consideration is also given to what makes people happy and how we can potentially nudge people to be happier. This new edition contains expanded and updated coverage of several topics and applications including fraud and cybercrime cryptocurrency public health messaging and the COVID 19 pandemic. The companion website is also updated with a range of new questions and worked examples. This book remains the ideal introduction to behavioral economics for advanced undergraduate and graduate students. *The Death Penalty in the United States* Louis J. Palmer, Jr., 2013-10-17
