Reciprocal Teaching Graphic Organizer:

Moving From Spoken to Written Language With ELLs Ivannia Soto, 2014-06-20 Mastering spoken language is the key to writing success for English language learners. English language learners struggle to meet the increased classroom writing demands of the Common Core State Standards and many schools seem at a loss for solutions. In these pages, ELL expert Ivannia Soto builds on the groundbreaking research she presented in her previous book *ELL Shadowing as a Catalyst for Change* to show how oral language development scaffolds writing skills. To implement this knowledge, Soto offers educators a powerful set of tools. Exciting spoken techniques such as Socratic Seminar, Frayer model, and Think Pair Share that build vocabulary and extend into academic writing. Approaches to teaching three essential styles of writing: argumentative, procedural, and narrative. Sample lesson plans and graphic organizer templates. ELLs must develop oral language skills before meeting the Common Core's writing requirements. This book provides the tools to make this happen. This timely book collects oral language strategies designed to scaffold academic writing for English language learners at intermediate and advanced levels of English proficiency. Concrete examples support the goal of teaching college and career ready standards across content areas. Charlene Rivera, Research Professor, The George Washington University Center for Equity and Excellence in Education. **From Head to Heart: High Quality Teaching Practices in the Spotlight** Nicholas D. Young, Elizabeth Jean, Teresa Allissa Citro, 2019-02-15 It is widely acknowledged that today's teachers are tasked with educating increasingly diverse students as well as addressing their academic and social emotional needs. This book examines cutting edge teaching practices that make a difference in improving general educator and/or student performance across the grade spans. The emphasis is placed on research-based strategies, practices, and theories that can be readily translated into classroom practice. *From Head to Heart: High Quality Teaching Practices in the Spotlight* considers the importance of more personal topics within the teaching field such as teacher wellness as well as including information on effective teaching practices that seek to inspire and empower students and teachers. This book will be of interest to those that work within a pedagogical environment as well as university students and parents alike. *Literacy Triangle* LeAnn Nickelson, Melissa Dickson, 2022-06-28 Accelerate learning with high impact strategies. Beginning and veteran teachers alike will find insights and practices they can use immediately. The authors dovetail their proven instructional process of chunk, chew, check, change with before, during, and after reading strategies in this must-have guide for powerful literacy instruction. No matter what content area you teach, this book will help you develop the strategic reader in every student. K-8 teachers who are interested in high impact teaching strategies will learn how to incorporate the literacy triangle's three points: reading, discussing, and writing into instruction for any subject. Cut through the conflict caused by the reading wars and gain clarity on the science behind effective, well-rounded literacy instruction. Help students enjoy reading, gain comprehension, and build reading stamina. Get differentiation ideas for scaffolding and enriching each strategy using best practices in literacy instruction.
