

Eagle Scout Recommendation Letter

Dear Sir,

I have personally known <<Scout's Name>> for about five years through his membership in <<organization name>>. Our organization works at various off-road races throughout the Southwest, including the Mint 400 here in Las Vegas. We are responsible for safety and compliance for racers and spectators, as well as interactions with race officials and law enforcement agencies.

I am familiar with the principles of the Scout Law and the Scout Oath, and I have found <<Scout>> to demonstrate them at all times. During his work with <<organization name>>, I have come to rely on him to handle positions I simply would not trust to any other teenager. I know he is completely trustworthy – I can put him on a position that requires his complete dedication (often for many hours at a time) and know he will be on-task at all times.

He is helpful, cheerful, and courteous at all times– no matter what task I assign to him, he does it without complaint. He often has to deal with spectators, racers, and law enforcement officials at these events, and he has always made our organization proud of his behavior.

I have no hesitation in recommending him for the rank of Eagle Scout.

Sincerely,

Recommendation Letter For Eagle Scout

K Payea

Writing Home Eli Goldblatt,2012-04-12 In this engrossing memoir

poet and literacy scholar Eli Goldblatt shares the intimate ways reading and writing influenced the first thirty years of his life in the classroom but mostly outside it *Writing Home A Literacy Autobiography* traces Goldblatt's search for home and his growing recognition that only through his writing life can he fully contextualize the world he inhabits Goldblatt connects his educational journey as a poet and a teacher to his conception of literacy and assesses his intellectual emotional and political development through undergraduate and postgraduate experiences alongside the social imperatives of the era He explores his decision to leave medical school after he realized that he could not compartmentalize work and creative life or follow in his surgeon father's footsteps A brief first marriage rearranged his understanding of gender and sexuality and a job teaching in an innercity school initiated him into racial politics Literacy became a dramatic social reality when he witnessed the start of the national literacy campaign in postrevolutionary Nicaragua and spent two months finding his bearings while writing poetry in Mexico City Goldblatt presents a thoughtful and exquisitely crafted narrative of his life to illustrate that literacy exists at the intersection of individual and social life and is practiced in relationship to others While the concept of literacy autobiography is a common assignment in undergraduate and graduate writing courses few books model the exercise *Writing Home* helps fill that void and with Goldblatt's emphasis on out of school literacy fosters an understanding of literacy as a social practice
