**The Ultimate Marine Recruit Training Guidebook** Nick Popaditch, 2012-09-26 The transition from civilian to that of a Marine is a process unlike any other in any branch of the military As any potential recruit can imagine Marine recruit

training is difficult and challenging Its purpose is to mold a Marine from the inside out Nick Gunny Pop Popaditch is best known as the Cigar Marine and author of Once a Marine a candid memoir about his service as a tank commander in Iraq his horrific wounding in the first battle of Fallujah where he was hit in the head by a rocket propelled grenade and his long and difficult recovery Gunny Pop has experienced the Marine recruit training process from both perspectives as a new recruit and as a drill instructor This new book brings together his nearly 16 years of Marine Corps expertise The Ultimate Marine Recruit Training Guidebook is a comprehensive practical and easy to follow guide written specifically for every new or prospective recruit about to enter basic training Gunny Pop offers step by step instructions and solutions including helpful charts and graphics for how to prepare both physically and mentally for boot camp Written by a Marine who experienced it firsthand many times over Gunny Pop explores what recruits will be asked to do and in many cases explain why and the motivating forces behind drill instructor lessons and behavior The Ultimate Marine Recruit Training Guidebook was written by a Marine and former drill instructor for young men and women who want to become one of the few and the proud No one should undertake Marine recruit training without having read this book About the Author From East Chicago Indiana Nick Popaditch enlisted in the Marine Corps in 1986 He was wounded while commanding a tank in Fallujah Iraq in 2004 and medically retired from the Marines in 2005 at the rank of Gunnery Sergeant Gunny and his wife April have two children Richard and Nicholas They reside in Chula Vista California

Marine Corps Publications Combined: USMC Battle Skills Test Study Materials , Mission Effective 1 January 2018 the total force will conduct the training and evaluation of 30 tasks designated in the BST program in order to sustain skills common for all Marines Execution Commanders Intent The BST Program provides a structured approach for the service to ensure all Marines sustain proficiency in 30 of the 178 common skills taught during entry level training The program will emphasize training using a leader led face to face approach Small unit leaders noncommissioned officers and above will be the primary trainers and evaluators Marines private through general will annually demonstrate their mastery of these common skills Commanders will have flexibility in their approach to training and evaluating their units Concept of Operations The BST Program effectively begins 1 January 2018 as a calendar year requirement However commanders can immediately start incorporating BST training into their unit training plans and are encouraged to begin preparing their small unit leaders to conduct and evaluate the 30 common skills Training support packages TSP and associated performance evaluation checklists for each of the 30 BST skills are online to assist small unit leaders The TSPs provide small unit leaders the required information performance steps and evaluation criteria to facilitate leader led training The training is designed to be conducted in any environment from garrison to field on the flight line in the motor pool maintenance bay or on ship Units may find that many of these skills are already embedded in their unit training plan thereby minimizing the impact of the BST Program Commanders determine how and when the training and evaluation will occur throughout the calendar year Options range from training and evaluation over the course of a year to training

throughout the year and then consolidating evaluation into a culminating event to foster esprit de corps For example training and evaluation can be combined in a teach it test it method where Marines are evaluated immediately after the training is conducted or Marines can be trained and then evaluated on a later date All Marines have previously been taught these skills during entry level training thus the expectation is that Marines have the ability to easily refresh and sustain these skills However if unable to pass Marines will have multiple opportunities to remediate Commanders have the entire calendar year to ensure their Marines train and pass all 30 of the skills and will ensure that training is recorded The 30 skills of BST Program are Basic Infantry skills Conduct observation Defend a position Describe the use of deadly force Employ a map and compass Handle detainees Identify anomalies Perform actions with a service rifle Perform immediate action upon contact with the enemy Perform weapons handling procedures with a service rifle Search an individual Stand a sentry post Visually identify indicators of improvised explosive devices Communications Communicate using hand and arm signals Operate a VHF radio Submit a message First Aid Apply a tourniquet Describe phases of tactical combat casualty care Treat a cold weather injury Treat a heat injury History Identify significant events in Marine Corps history Identify the historical significance of Marine Corps uniform items Leadership Apply the components of the decision cycle OODA loop Describe Marine air ground task force organizations Describe operational security Describe stresses of combat Describe The Code of Conduct Describe rights of a prisoner of war Prepare for combat Uniform Code of Military Justice Describe Article 15 Non Judicial Punishment Describe Article 31 Rights of the Accused
