Prison Guard Talk:

Prison Guard Talk Dusty B. Beach, 2014-10-16 I don't think the general public has the slightest clue as to what goes on in these prisons. This book is a terrific starting point for anyone hoping to understand corrections. I love the humor and stories in the book. Over 25 years in law enforcement and this is the most realistic book about prison I have ever read. Paul G. retired Correctional Officer. *Prison Guard Talk* is the fictionalized memoir of Dusty Beach, a former correctional officer, sergeant, and lieutenant in the Department of Corrections. The book follows the fictional character Josiah Wilson, a correctional officer at a fictionalized prison. All instances herein are inspired from real life and while dramatized still contain information necessary to those interested in the Department of Corrections. If you are seriously considering taking the exam to become a correctional officer or are otherwise interested in joining the Department of Corrections, this book is a must. The chapters are geared to educate and inform you while simultaneously preparing you for the examination and oral interview. It is a powerful combination punch of learning and reinforcement. You will not find this type of material and information in this format anywhere else. The book includes a question and answer oral interview section. This is what one Department of Corrections cadet said I interviewed for the correctional officer position; most of the questions were out of your book and spot on, but it was your insight or should I say the fictional character and insight of Josiah Wilson that saved the day. Thanks. Don't step foot into a prison until you read this book; this is insight you won't find anywhere else. Through a fictionalized memoir of life as a corrections officer, understand the thinking of the Department of Corrections and prison politics. The book can make you laugh and cry, experience the unique humor and flavor found at some of the toughest prisons in America. Peppered with insights and knowledge of the duties of a correctional officer, *Prison Guard Talk* includes the tips and tricks you need to know to pass the correctional officer exam, including interview questions right from the playbook. Dusty Beach takes you on a journey down the rabbit hole into the soul of prison life through a matrix of a world seldom seen, much less understood by people.

Prison Officers Helen Arnold, Matthew Maycock, Rosemary Ricciardelli, 2023-12-12 This edited collection brings together academics, lawyers, civil servants, and researchers working in the human rights NGO sector to explore the work and role of prison officers around the world. Each chapter offers a distinctive perspective on the work of prison officers within localised socio-economic and criminal justice contexts to provide a unique overview and insight into the realities and complexities of the role through accessible scholarly interpretations of their work. The aim of the book is to advance knowledge and understanding of the crucial role that prison officers occupy within carceral systems. The collection has widespread applicability with relevance beyond academia into criminal justice practice and policy internationally. Chapter 3 is available open access under a Creative Commons Attribution 4.0 International License via link.springer.com. *Prison Guard*, 1956. **The Prison Officer** Alison Liebling, David Price, Guy Shefer, 2010-12-22 This book is a thoroughly updated version of the popular first edition of *The Prison Officer*. It incorporates the significant increase in knowledge about the work

of prison officer since the first edition was published and provides a live account of prison work and ways of understanding the role of the prison officer in the late modern context Few detailed narratives exist of prison work and the sort of role the prison officer occupies this book addresses the gap Using a range of quantitative and qualitative data and drawing on available theoretical literature it explores the role of the prison officer in an appreciative way taking into account the little discussed issues of power and discretion It provides a single accessible guide to the world and work of the prison officer looking in detail at the present role of the prison officer in Britain and demonstrating the centrality of staff prisoner relationships to every operation carried out by officers This book will be of relevance to anyone with an interest in the work of a prison officer students and others looking for an introductory survey of the literature and essential reading for any established and aspiring officers Prison Guard, Correctional Officer Robert R. Officer Richard McMunn,2010-03 *The Prison Guard's Daughter* Deanne Quinn Miller,2021-09-07 In this moving memoir a woman recounts her search for truth and justice regarding her father s murder during America s deadliest prison riot Deanne Quinn Miller was five years old when her father William Billy Quinn was murdered in the first minutes of the Attica Prison Riot the only corrections officer to die at the hands of inmates But how did he die Who were the killers Those questions haunted Dee and wreaked havoc on her psyche for thirty years Finally when she joined the Forgotten Victims of Attica she began to find answers This began the process of bringing closure not only for herself but for the other victims families the former prisoners she met and all of those who perished on September 13 1971 the day of the retaking when New York State troopers and corrections officers at the Attica Correctional facility slaughtered twenty nine rioting prisoners and ten hostages in a hail of gunfire In *The Prison Guard s Daughter* Dee brings readers in on her lifelong mission for the truth and justice for the Attica survivors and the families of the men who lost their lives But the real win was the journey that crossed racial and criminal justice divides befriending infamous Attica prisoner Frank Big Black Smith meeting Richard Clark and other inmates who tried to carry her father to safety after his beating and learning what life was like for all the people prisoners and prison employees alike inside Attica As Miller lays bare the truth about her father s death the world inside Attica and the state s reckless raid and coverup she conveys a narrative of compassionate humanity and a call for prison reform Praise for *The Prison Guard s Daughter* A remarkable tale of healing and reconciliation born from the tragedy of the nation s deadliest prison uprising *The Prison Guard s Daughter* reminds us that we can reach across divides racial social economic and learn lessons about others that inevitably teach us about ourselves In a world in which the chasms among people seem to swell wider every day this book tells us that our true angels can prevail as long as we are ready to engage them Sister Helen Prejean author of *Dead Man Walking* The Eyewitness Account of the Death Penalty That Sparked a National Debate In the wake of the unimaginable trauma caused by the State of New York there were the courageous few who had to endure even more pain to make sure that there was some reckoning with this horrific event and some measure of

justice for its victims This is the extraordinarily beautiful story of one of the most courageous of those few Dee Quinn Miller who quite literally changed history Heather Ann Thompson Pulitzer Prize winning author of *Blood in the Water The Attica Prison Uprising of 1971 and its Legacy* A personal affecting and eye opening account of a pivotal tragedy on the seemingly endless road to prison reform Booklist

Talking Reform Dany Lacombe, 2025-11-14 Abandoned as an infant and victimized by his adoptive father Mac began drinking heavily in his early teens He left home at fifteen to work in the rugged and isolated logging camps of northern British Columbia earning respect through hard work heavy drinking and violent confrontations with men twice his age At eighteen he spiralled into a life of crime arson theft and drug dealing and at twenty four he was convicted of murder and sentenced to hard time This only deepened his addictions and criminal connections trapping him in a cycle of recidivism On the surface this cycle breaks with a remarkable transformation he battles for sobriety turns away from crime and becomes a revered guest lecturer at a university Talking Reform is a conversation between sociologist Dany Lacombe and Mac Part memoir and part ethnography the book critically explores how the prison culture mental health professionals and trauma narratives affected Mac s journey Lacombe argues that the redemptive arc of his story oversimplifies a more complex reality She analyzes the setbacks and failures Mac experiences as he struggles to perform the reformed version of himself developed in collaboration with prison staff and rehabilitation professionals She also reflects on the problematic aspects of Mac s story in his first person memoir and his official prison record and challenges the reader to focus less on his character and more on his narrative of reform From this perspective the reform story is a socially prescribed genre one that compels those who have been convicted of crimes to develop unrealistic stories about themselves Off script Mac formed strong relationships made significant contributions to his communities and found unexpected ways of making meaning of his life Exploring the complexity of managing identity inside and outside of prison walls Talking Reform highlights ongoing struggles of reintegration and the importance of compassion and inclusion in offering hope for incarcerated and formerly incarcerated persons

The Routledge Handbook of Technology, Crime and Justice M. R. McGuire, Thomas Holt, 2017-02-24 Technology has become increasingly important to both the function and our understanding

of the justice process Many forms of criminal behaviour are highly dependent upon technology and crime control has become a predominantly technologically driven process one where traditional technological aids such as fingerprinting or blood sample analysis are supplemented by a dizzying array of tools and techniques including surveillance devices and DNA profiling This book offers the first comprehensive and holistic overview of global research on technology crime and justice It is divided into five parts each corresponding with the key stages of the offending and justice process Part I addresses the current conceptual understanding of technology within academia and the criminal justice system Part II gives a comprehensive overview of the current relations between technology and criminal behaviour Part III explores the current technologies within crime control and the ways in which technology underpins contemporary formal and informal social control Part IV sets out some of the fundamental impacts technology is now having upon the judicial process Part V reveals the emerging technologies for crime control and justice and considers the extent to which new technology can be effectively regulated This landmark collection will be essential reading for academics students and theorists within criminology sociology law engineering and technology and computer science as well as practitioners and professionals working within and around the criminal justice system

Routledge Revivals: Guards Imprisoned (1989) Lucien X. Lombardo, 2016-10-04 First published in 1989 Guards Imprisoned provides an in depth look into the work and working life of prison guards as they perceive and experience it The author who was a teacher at Auburn Prison New York discovered that little was known about the guard s perceptions of his place in the prison community and set out to explore the dynamics of this key correctional occupation from the perspective of those who do it The raw data was provided by over 160 hours of interviews with guards and is presented in the order of a natural history from their prerecruitment images of prison to the search for satisfaction as experienced guards The book also includes a follow up with the officers who were originally interviewed in 1976 assessing patterns of change and stability in their attitudes and behaviors The Auburn Correctional Facility renamed from Auburn Prison in 1970 was the second state prison in New York the site of the first execution by electric chair in 1890 and the namesake of the famed Auburn System replicated across the country in which people worked in groups during the day were housed in solitary confinement at night and lived in total silence The facility is celebrating the 200th anniversary of its groundbreaking in 2016

Emotions and Crime Michael Hviid Jacobsen, Sandra Walklate, 2019-06-11 In spite of the fact that crime is an emotive topic the question of emotion has been largely overlooked in criminological research which has tended instead to examine criminal conduct in terms of structural background variables or rational decision making Building on research into emotions within sociology this book seeks to show how criminologists can in fact take emotions seriously and why criminology needs to begin considering emotions as a central element of its theoretical conceptual and methodological apparatus Thematically organised and

presenting both empirical and theoretical studies Emotions and Crime pays attention to the different emotional dimensions of crime victimhood the criminal justice system the practice of criminological research and the discipline of criminology Bringing together the work of an international team of authors and discussing research into violence punishment gender imprisonment and mass atrocity this volume shows how crime and emotions are inextricably connected and illustrates both the hidden and pervasive role of emotions in criminological work

Dying in Prison Carol Robinson, 2023-05-10 This book uses empirical data gathered using ethnographic methods in two contrasting prisons to provide a rare insight into death and dying in prisons in the UK The majority of deaths in prison custody in England and Wales result from natural causes yet the experiences of people dying in prison and the impact of these deaths on the wider prison are under researched areas It provides a novel insight into the impact of deaths from natural causes on the prison as an institution and challenges existing work juxtaposing occupational philosophies of care and control It also identifies how end of life care is provided in prisons and the impact this has on culture and relationships shows how deaths from natural causes in prison custody soften prison regimes culture and relationships It speaks to an international audience by drawing on the global literature including from the US

Power and Pain in the Modern Prison Be Crewe, 2022

The Older Prisoner Diete Humblet, 2021-01-23 This book critically explores the world of older prisoners to provide a more nuanced understanding of imprisonment at old age Through an ethnographical study of male and female older prisoners in two Belgian prison settings one in which older prisoners are integrated and one in which they are segregated it informs debates and seeks to recognise ageist discourse attitudes practices in prison The Older Prisoner seeks to situate the older prisoner from both a penological and gerontological perspective organised around the following broad themes the construction of the older prisoner the physical prison world the social prison world surviving prison and giving meaning The book allows readers to navigate between contrasting perspectives and voices rather than reinforcing traditional narratives and prevailing discourses on the older prisoner In doing so it hopes to open up a broader dialogue on ageing and punishment It also offers insights into the concept of meaning in life as an analytical tool to study prisoners

Crime and the Chinese Dream Edited by Børge Bakken, 2017-12-11 Although official propaganda emphasizes the Chinese Dream as the dream of all Chinese the opportunities of achieving the prosperity by legal means are distributed unequally Crime and the Chinese Dream reveals how people on the margins of Chinese society find their way to the Chinese Dream through illegal or deviant behaviours The case studies in this book include corrupt doctors in public hospitals in Beijing fraudsters in a village called cake uncles illegal motorcycle taxi drivers in Guangzhou drug users being re educated in detention centres and internet addicts who are treated as criminals by the system Despite the patriotic and collectivistic tint of the official dream metaphor the contributors to this volume show that the Chinese Dream is essentially a state capitalist

dream which is embedded within the problems and opportunities of capitalism as well as a dream of control. An original and important contribution to comparative criminology, international studies and crime and justice research in China, this book highlights the ironies present in the American Dream that exist in the Chinese Dream as well. It contains diverse research topics that separate ideology from reality and Bakken's excellent introduction frames them in the literatures on social problems and social inequality. Henry N. Pontell, John Jay College of Criminal Justice, City University of New York. This is an outstanding collection of essays which importantly enlarges the terms of debate on crime in China. It reveals how China is complex not only because of its internal social and economic diversity but also because of integration into global capitalism with all its inherent inequalities and commodification. Bill Hebbenton, Centre for Criminology and Criminal Justice, University of Manchester.
