Goal

Build positive relationships between the community, parents, other colleagues, and students both in my class and outside of my class

Rationale

I have included this because teaching is a career where we as educators must collaborate with all people. In my PSI and PSII I was never involved in integrating the community and parents into the classroom. I want to be a teacher that can be approachable whether or not there is an issue present.

Related KSA(s)

KSA 12: the importance of engaging parents, purposefully and meaningfully, in all aspects of teaching and learning. They know how to develop and implement strategies that create and enhance partnerships among teachers, parents and students;

KSA 13: student learning is enhanced through the use of home and community resources. They know how to identify resources relevant to teaching and learning objectives, and how to incorporate these resources into their teaching and students' learning;

Indicator(s) of Success

- The number of students who come seek help
- The number of parents that are involved in the classroom
- The number of community members brought in

Action
