

Safety precautions

- When using your headset while driving, follow local regulations in the region you are in. Never drink alcohol or use drugs while driving. Driving while using your headset may cause the headset to become unstable or become uncomfortable. It may also distract you and cause an accident.
- Keep your device and all accessories out of the reach of small children or animals. Small parts may cause choking or serious injury if swallowed.
 - Avoid exposing your device to any extreme temperature (between 0°C and 40°C or above 30°C). Extreme temperatures can cause the deterioration of the device and reduce the charging capacity and life of your device.
 - Do not allow your device to get wet or damaged. Damage can cause serious damage. Do not handle your device with wet hands. Water damage to your device can reduce or eliminate its warranty.
 - Avoid using your device's light close to the eyes of children or animals.
 - Do not use the device during a thunderstorm. Thunderstorms can cause the device to malfunction and cause harm to the user or the device.
- Excessive exposure to heat or sunlight can cause hearing damage. Exposure to heat or sunlight while driving may distract your attention and cause an accident. Use only the headset when it is not in use and when you are not driving.

Getting started

Your headset overview

Make sure you have the following items: Headset, charging cable, ear hooks, ear cushions, and user manual. The specifications may vary.

Button functions

Button	Function
	• Press and hold to turn the headset on or off.
	• Press and hold for 3 seconds to answer incoming calls. • Press and hold to reject an incoming call. • Press and hold to place a call on hold. • Press and hold to switch between calls.
	• Press to adjust the volume. • Press and hold to quickly mute/unmute or on/off during a call.

Turning the headset on or off

To turn the headset on

- Press the Power button on the Main Indicator Light Bar for 3 times.
- Turning the headset on for the first time, it will automatically enter pairing mode for approx. 3 minutes.

To turn the headset off

Press the Power button on the Main Indicator Light Bar for 3 times to turn off.

Charging the headset

This headset has a rechargeable internal battery which is non-removable. Make sure the headset is fully charged before using it for the first time.

- The only charging approved charger is the one that is used when the headset is first charged. Using any other charger may cause damage to the headset or to sensitive components or explosion. It should not be used with any other charger.
- Connect the USB cable to the charging port on the headset.
- Plug the headset into a USB port. Charging the headset lights will turn on.
- When the headset is fully charged, the indicator light of the headset will turn off.

Charging the headset

- Repeatedly charging and discharging of the headset over time will cause the battery performance to deteriorate. This is normal for all rechargeable batteries.
- Never make or receive calls while charging. Always disconnect your headset from the charger and remove the cord.

Charging the headset

To check the battery level, press and hold the Volume down button and the Call button at the same time. Depending on the battery level, the indicator light flashes in one of the following colors.

Battery level	Indicator light color
90% - 100%	Blue
60% - 80%	Yellow
Below 20%	Red

Pairing the headset with a phone

The headset indicator light turns red and you can hear a beep. If the headset powers off during a call, the call will be automatically transferred to the phone.

Wearing the headset

Depending on which ear you are going to wear the headset, simply adjust the ear hook and the ear cushion.

- The headset also has the optional ear cushions instead of the ear hooks. Remove the ear cushions and adjust the ear cushions. The headset has ear cushions left or right slightly depending on which ear you are going to wear the headset.

Turning the indicator light on or off

The headset indicator light is there to show you the current status of your headset. But if the headset is on, it might give you a call.

- Press and hold both volume buttons simultaneously to turn the indicator light on or off.

- The headset will turn the indicator light off while in pairing mode.
- The indicator light will always turn on when the headset is turned on or off when a call is received. Call history mode will show the call history.

Using your headset

- Activated functions and features may differ depending on the phone type.
- Some phones, especially those that are not certified as approved by the Bluetooth Special Interest Group (SIG), may be incompatible with your headset.

To ensure you get the best performance from your headset

- Keep the distance between your headset and device as small as possible and avoid placing your body or other objects in the signal path.
- If your headset and your mobile phone with your right hand, wear the headset on your right ear.
- Keeping your headset in a case could affect its performance or keep contact to a battery.

Pairing and connecting the headset

Pairing means unique and encrypted wireless connection between two Bluetooth devices when they agree to communicate with each other.

Pairing mode (the headset will be in pairing mode)

- 1. Press the Power button. (The blue indicator light starts to blink for 3 minutes.)
- 2. Press and hold the Call button for 3 seconds.
- 3. Activate the Bluetooth feature on your phone and search for the headset (see your phone's user manual).
- 4. Select the headset in the list of devices to pair with your phone.
- 5. If prompted, enter the Bluetooth PIN code (if available) and connect the headset to your phone.
- 6. Once pairing is completed, the headset will attempt to reconnect with the phone.

Pairing the headset with a phone

With the Active pairing feature, your headset automatically looks for a Bluetooth device within range and tries to make a connection with it.

- In pairing mode, press and hold the Call button on the headset. The indicator light will change to red when it is in pairing mode.
- The Bluetooth phone you want to connect with must not be paired with other devices. If the phone is already connected to another device, end the connection and restart the Active pairing feature.
- This feature may not be supported on some devices.

Connecting with two Bluetooth phones

With the Multipoint feature activated, your headset can be connected to 2 Bluetooth phones at the same time.

- To turn Multipoint feature on: Press and hold the Call button and the Volume down button for 3 seconds. The headset will turn the indicator light red when it is in pairing mode.

- 1. After connecting with the first Bluetooth phone, stay pairing mode.
- 2. To turn the Bluetooth feature on the second Bluetooth phone and search for the headset (see your phone's user manual).
- 3. Select the headset in the list of devices found by the second Bluetooth phone.

Connecting with two Bluetooth phones

- If prompted, enter the Bluetooth PIN code to connect the headset to the second Bluetooth phone.
- Disconnect the headset from the first Bluetooth phone.

Connecting with two Bluetooth phones

You can also pair and connect your headset with a third device such as an MP3 player. The process of connecting to a third device is the same as the connecting with a phone. When connected to both devices, you can make an incoming call on the phone while listening to music from the third device.

- You cannot control playback & end your headset.

Samsung Hm1900 Manual Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Samsung Hm1900 Manual free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Samsung Hm1900 Manual free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Samsung Hm1900 Manual free PDF files is convenient, its important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but its essential to be cautious and verify the authenticity of the source before downloading Samsung Hm1900 Manual. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether its classic literature, research

papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Samsung Hm1900 Manual any PDF files. With these platforms, the world of PDF downloads is just a click away.
