Software Engineering: Design, Implementation, and Emergent Applications Alencar, Paulo,Cowan, Donald,2012-05-31 The popularity of an increasing number of mobile devices such as PDAs laptops smart phones and tablet computers has made the mobile device the central method of communication in many societies These devices may be used as electronic wallets social networking tools or may serve as a person s main access point to the World Wide Web The Handbook of Research on Mobile Software Engineering Design Implementation and Emergent Applications highlights state of the art research concerning the key issues surrounding current and future challenges associated with the software engineering of mobile systems and related emergent applications This handbook addresses gaps in the literature within the area of software engineering and the mobile computing world *Planning and Managing the Experience Economy in Tourism* Augusto Costa, Rui,Brandão, Filipa,Breda, Zelia,Costa, Carlos,2021-12-03 Tourism is facing a new paradigm that has been brought on by the introduction of experiences in the development management and promotion of tourism Associating experiences to tourism destination and products allows tourists to relate to their vacations differently and helps to fuel a destination s competitiveness and compliance with new needs and motivations that are being driven by the tourists When properly design managed and developed tourism experiences can contribute to the destination s overall sustainability by maximizing tourism s positive impacts and fostering their spillover to local communities Planning and Managing the Experience Economy in Tourism is an essential reference book that seeks to advance research on tourism experience as well as investigate how tourism experiences can create and increase tourism competitiveness The book explores how the experience concept has evolved in the last decade alongside the needs and motivations of consumers and how it can be conceptualized designed managed and implemented both at the tourism firm and destination levels Delving further into concepts like creative tourism destination attributes and smart experiences this book serves as a dynamic resource for travel agencies tourism managers tourism professionals marketers destination managers government officials policymakers academicians students tourism officials planners and researchers VIVA Travel Guides Bolivia Karen Hartburn,Paula Newton,Margaret Rode,2010-06-16 The most up to date Bolivia travel guidebook on the market this book helps to to successfully navigate and explore this beautiful country Wander the salt flats visit the highest capital in the world and while you re at it the highest navigable lake Wildlife watch in the steamy jungles of Parque National Madidi or travel back in time at the mines of Potosi With VIVA s book in tow you won t miss anything *Real Tourism* Claudio Minca,Tim Oakes,2012-08-06 Over the past decade tourism studies has broken out of its traditional institutional affiliation with business and management programs to take its legitimate place as an interdisciplinary social science field of cutting edge scholarship The field has emerged as central to ongoing debates in social theory concerning such diverse topics as postcolonialism

mobility and postmodernism to name just a few While there has been a diverse body of empirical research on this transformation the theoretical discussions in tourism studies remain largely attached to theories of modernity and Anglo centric assumptions about tourism There is a need for the field to come to terms theoretically with the contemporary and future realities of tourism as a truly global phenomenon *Real Tourism* is a significant volume which sets this new theoretical agenda engaging directly with what tourism does in practice and in place and demonstrates the need for a theoretical intervention that moves tourism scholarship beyond the province of Anglophone thinking The volume achieves this by explicitly bridging western and non western scholarship on tourism reframing theoretical discussions around real practices instead of abstract typologies and radically delinking tourism theory from the grand narratives of modernity and assumptions about authenticity identity tradition and development The book brings together leading academics in the field and provides provocative multidisciplinary and multi contextual reflection on the future of tourism This original timely and compelling volume puts forward new post modernist ideas and arguments about tourism today and in the future It is essential reading for students researchers and academics interested in Tourism *European Journal of Tourism Research* ,2010-04-01 The European Journal of Tourism Research is an interdisciplinary scientific journal in the field of tourism published by Varna University of Management Bulgaria Its aim is to provide a platform for discussion of theoretical and empirical problems in tourism Publications from all fields connected with tourism such as management marketing sociology psychology geography political sciences mathematics statistics anthropology culture information technologies and others are invited The journal is open to all researchers Young researchers and authors from Central and Eastern Europe are encouraged to submit their contributions Regular Articles in the European Journal of Tourism Research should normally be between 4 000 and 20 000 words Major research articles of between 10 000 and 20 000 are highly welcome Longer or shorter papers will also be considered The journal publishes also Research Notes of 1 500 2 000 words Submitted papers must combine theoretical concepts with practical applications or empirical testing The European Journal of Tourism Research includes also the following sections Book Reviews announcements for Conferences and Seminars abstracts of successfully defended Doctoral Dissertations in Tourism case studies of Tourism Best Practices The European Journal of Tourism Research is published in three Volumes per year The full text of the European Journal of Tourism Research is available in the following databases EBSCO Hospitality and Tourism CompleteCABI Leisure Recreation and TourismProQuest Research Library Individual articles can be rented via journal s page at DeepDyve The journal is indexed in Scopus and Thomson Reuters Emerging Sources Citation Index The editorial team welcomes your submissions to the European Journal of Tourism Research
