Claim:
There are different aquatic systems with diverse organisms.

Evidence	Reasoning/Justification
Aquatic ecosystems have abiotic - temp, light, salinity, depth	Different organisms can tolerate different factors
Some organisms prefer fresh water vs. saltwater. Bull sharks + manatees tolerate both	Bull sharks and manatees are very different, but tolerate same conditions
Depth reduces light and increases pressure. Organisms deal with this differently.	Many types of adaptations exist to survive in these conditions
The geography of an aquatic environment can determine the life forms present.	Continental shelf gets lots of light, so there's many living things. Not so in the abyss.
Photosynthesis takes place in the neritic zone.	It is the most productive area of the ocean. Plankton are base of food chain.
Metabolism is affected by temp. Many species are cold-blooded.	Organisms can migrate or must have adaptations to survive.

Note Taking Guide Episode 8

Covenant Bible Study

Note Taking Guide Episode 8:

Covenant Bible Study: Leader Guide Covenant Bible Study, 2014-04-15 Covenant Bible Study guides small groups through a comprehensive in depth study of the whole Bible over twenty four sessions broken into three eight session modules Unlike the learning participants may have experienced in other groups this study emphasizes the biblical concept of covenant as a unifying theme through both the Old and New Testaments It underscores the unique relationship that God chooses to have with us as God's people This relationship is grounded in the faithfulness of God's love and on our ongoing commitment to stay in relationship with God while sharing signs of God's love with others The Leader Guide contains comprehensive and detailed direction for the group leader to use in each 90 minute group experience Direction is provided for each component of the group meeting with options that allow leaders to adapt to the group's unique characteristics Components of the group meeting experience include Gathering Together Opening questions designed to prompt conversation that connects to the main theme of the episode Reflecting Together Sharing what participants learned from the week's scripture readings with questions that tie their discoveries into a central theme Video Segment Playing of the video for the current episode Discovering Together Building on the insights of the biblical scholar analyzing a single passage from the week's readings going deeper into the way they explore the Bible's meaning Centering Together Engaging in meditation which is a devotional way to read the Bible Serving Together Reading together the Signs of Faithful Love provided

Emergency Planning Guide for Utilities, Second Edition Samuel Mullen, 2013-01-22 An increase in major natural disasters and the growing number of damaging events involving gas electric water and other utilities has led to heightened concerns about utility operations and public safety Due to today's complex compliance based environment utility managers and planners often find it difficult to plan for the action needed to help ensure organization wide resilience and meet consumer expectations during these incidents Emergency Planning Guide for Utilities Second Edition offers a working guide that presents new and field tested approaches to plan development training exercising and emergency program management The book will help utility planners trainers and responders as well as their vendors and suppliers to more effectively prepare for damaging events and improve the level of the utility's resilience It also focuses on planning needed in the National Incident Management System and ICS environment that many utilities are embracing going forward In doing so utilities will be able to improve the customer experience while reducing the impact that damaging events have on the utility's infrastructure people and resources
