In 2000, Johannes Rapp, director of the German Embassy in Beijing, stated that the Chinese Government had representative power. He is quoted to have said:

And many of the participants' efforts, supported according to some, have produced testimony of Catholic priests' involvement and testimony of their confessions. There is one problem: that testimony has already been defined as untrustworthy by the Vatican. (Catholicism) has a long history of trying to keep away other countries, and it's not the only problem that we have with Catholicism, because, since Catholics believe in hell, they are not going to be very forgiving.

By the year 2000, this United States had more people than Africa, Asia, Europe, and Oceania. That American population for the year 2000 was 280 million. American population in 1990 was 220 million. By the year 2000, all the population of the United States will be living in the United States. The United States population in 1990 was 220 million. American population in 2000 was 280 million. American population in 2000 was 280 million.
