Nothings Sacred English Edition:

Nothing Sacred Douglas Rushkoff, 2003-04-08 Acclaimed writer and thinker Douglas Rushkoff author of Ecstasy Club and Coercion has written perhaps the most important and controversial book on Judaism in a generation As the religion stands on the brink of becoming irrelevant to the very people who look to it for answers Nothing Sacred takes aim at its problems and offers startling and clearheaded solutions based on Judaism's core values and teachings Disaffected by their synagogues emphasis on self preservation and obsession with intermarriage most Jews looking for an intelligent inquiry into the nature of spirituality have turned elsewhere or nowhere Meanwhile faced with the chaos of modern life returnees run back to Judaism with a blind and desperate faith and are quickly absorbed by outreach organizations that in return for money offer compelling evidence that God exists that the Jews are indeed the Lord's chosen people and that those who adhere to this righteous path will never have to ask themselves another difficult question again Ironically the texts and practices making up Judaism were designed to avoid just such a scenario Jewish tradition stresses transparency open ended inquiry assimilation of the foreign and a commitment to conscious living Judaism invites inquiry and change It is an open source tradition one born out of revolution committed to evolution and willing to undergo renaissance at a moment's notice But unfortunately some of the very institutions created to protect the religion and its people are now suffocating them If the Jewish tradition is actually one of participation in the greater culture a willingness to wrestle with sacred beliefs and a refusal to submit blindly to icons that just don't make sense to us then the lapsed Jews may truly be our most promising members Why won't they engage with the synagogue and how can they be made to feel more welcome Nothing Sacred is a bold and brilliant book attempting to do nothing less than tear down our often false preconceptions about Judaism and build in their place a religion made relevant for the future From the Hardcover edition

Nothing Sacred Elizabeth Ann Scarborough, 2011 In a world where unemployment is obliterated by putting all jobless people in the military to maintain the endless ongoing warfare Warrant Officer Viveka Vanachek finds herself in a weirder place yet Captured raped and interrogated she is finally exiled to a remote snow bound prison camp where she is placed in solitary confinement It seems like the end of the world when she also becomes too sick to eat and starts seeing ghosts and hearing mysterious chanting within the noises of the camp But her dreams tell her there is more to her prison than there seems to be and soon her delusions and reality start trading places

Is Nothing Sacred? Ben Rogers, 2013-04-15 A controversial debate on the place of values in a secular age between some of the most outstanding thinkers of our day including Richard Dawkins Simon Blackburn and Ronald Dworkin
