Far and away the bestselling brief introduction to psychology David Myers Exploring Psychology doesn't just present the story of the psychology It involves students deeply in that story as they learn to think critically about psychology's core ideas breakthrough research findings and wide ranging applications to their lives and the world around them The new Eighth Edition is both classic Myers and cutting edge psychological science a rich presentation more than ever before helps students develop the critical thinking skills they need to make their encounters with psychological science successful and personally enriching The most extensive revision to date the Eighth Edition features many hundreds of new research citations over 40% new photos and state of the art media and supplements plus an all new critical thinking feature Test for Success Critical Thinking Exercises Still with the book's continual evolution one constant remains the inimitable writing of David Myers who continues to show an uncanny ability to engage the curiosities of all kinds of students as they explore both the scientific and human aspects of the field of psychology Watch our new animation on THE TESTING EFFECT narrated by David Myers here **Psychology, Ninth Edition, In Modules (Loose Leaf)** David G. Myers, 2009-09-28 **Psychology, Eighth Edition (Loose Leaf)** David G. Myers, 2006-07-01 **Exploring Psychology** David G. Myers, 2002-10-22

From his experience as an author and teacher David Myers has concluded that students digest material more easily when it is presented in smaller chunks Ask students whether they would prefer a 600 page book to be organized as fifteen 40 page chapters or as forty 15 page chapters and their answers will approach a consensus students prefer shorter chapters And research on learning strategies supports this preference chunked material is more easily digested Responding to student preference and learning research Myers has created a modular version of his best selling brief introductory text Exploring Psychology Exploring Psychology Fifth Edition in Modules reorganizes the 15 chapters of Exploring Psychology Fifth Edition into 40 short chapters or modules The modular organization offers instructors more freedom to pick and choose from a smorgasbord of topics Instead of deciding whether to assign the whole chapter on consciousness instructors can simply assign the module on sleep and dreams the module on hypnosis and or the module on drugs and behavior Given that each module stands alone and is not dependent upon the content found in other modules instructors can also choose to cover the modules in any order they please Featuring the latest research and teaching

innovations Myers new text reflects the author s continuing drive to discover the most effective way to communicate psychology s major ideas to an uninitiated audience Note Exploring Psychology Fifth Edition in Modules is now available saleable in two different saleable versions a A hardcover spiralbound text similar in structure to the spiralbound Myers in Modules b A perfectbound paperback text The features that have made David Myers introductory psychology textbooks such phenomenal successes compelling narrative critical thinking theme superior design are all present in Exploring Psychology Fifth Edition in Modules The way those hallmark features are presented is different This is NOT a brief version of Psychology Myers in Modules Sixth Edition Rather this new text is a Modularized version of Exploring Psychology Fifth Edition Therefore it enjoys all of the hallmark features of Exploring Psychology Fifth Edition SQ3R pedagogical system terrific writing and briefer coverage of key topics It is in fact the same writing content as can be found in Exploring Psychology Fifth Edition just with a different organization

Cumulated Index to the Books ,1972 [Exploring Psychology in Modules](#) David G. Myers,2012-12-24 This modules based version of Myers Exploring Psychology breaks down the book s 15 chapters into 43 short modules Myers was inspired to create this text by the memory research in chunking showing that shorter reading assignments are more effectively absorbed than longer ones as well as by numerous students and instructors who expressed a strong preference for textbooks with more shorter chapters Each self standing module can be read in a single sitting and instructors can assign any combination of modules in any order they want

DSM 5 Updates Available for Fall 2014 classes this update version features new content from David Myers in response to the release of the DSM 5 This new content is integrated into the text without changing pagination or the structure of the chapters A special DSM 5 Supplement by the David Myers is available for Fall 2013 and Spring and Summer 2014 courses View the Page Referenced Guide to the DSM 5 updates for Exploring Psychology in Modules
