Myers** Martin Bolt, 2008 **Scientific American Reader Third Edition for Myers** David G. Myers, Richard O. Straub, 2010-07-27 Longtime Myers collaborator Richard Straub provides an updated study guide for the new edition [Study Guide to Accompany David G. Myers Psychology, Ninth Edition](#) Richard O. Straub, 2010 *Psychology In Modules* David G. Myers, 2009-09-28 This version of the main text breaks down the chapters into shorter modules for more accessibility The smaller chunks allow students to better grasp and explore psychological concepts The modules also allow more flexibility in teaching as cross references to other chapters have been replaced with brief explanations [Myers' Psychology for AP*](#) David G. Myers, 2010-03-12 Already The Bestselling AP Psychology Author Myers Writes His First Exclusive AP Psych Text Watch Dave G Myers introduce this new text here David G Myers is best known for his top selling college psychology texts used successfully across North America in thousands of AP courses As effective as Myers college texts have been for the AP course we believe his new text will be even better because Myers Psychology for AP has been written especially for the AP course *Exploring Psychology* David G. Myers, 2014 This new edition merges the rigor of science with a broad human perspective to provide a state of the art introduction to psychology From vivid presentation and intense attention to detail to research based study aids and media learning tools the inviting authorial voice of David Myers speaks to the life experiences of all students **Study Guide to Accompany Psychology** David G. Myers, Richard O. Straub, 2011-12-21 This detailed study guide helps students to understand and retain the material in Psychology 10th edition at an even higher level than by reading the text alone Each chapter includes self test and exercises chapter reviews and overviews and objectives from the text [Study Guide to Accompany David G. Psychology In Modules (Spiral) David G. Myers, 2009-09-28 Why Myers David Myers has become the world's best selling introductory psychology author by serving the needs of instructors and students so well Each Myers textbook offers an impeccable combination of up to date research well crafted pedagogy and effective media and supplements Most of all each Myers text demonstrates why this author's style works so well for students with his signature compassionate companionable voice and superb judgment about how to communicate the science of psychology and its human impact Why Modules This modules based version of Myers best selling full length text Psychology breaking down that book's 16 chapters into 59 short modules is yet another example of the author's ability to understand what works in the classroom It comes from Myers experiences with students who strongly prefer textbooks divided into briefer segments instead of lengthier chapters and with

instructors who appreciate the flexibility offered by the modular format Modular organization presents material in smaller segments Students can easily read any module in a single sitting Self standing modules Instructors can assign modules in their own preferred order The modules make no assumptions about what students have previously read Illustrations and key terms are repeated as needed This modular organization of short stand alone text units enhances teacher flexibility Instead of assigning the entire Sensation and Perception chapter instructors can assign the module on vision the module on hearing and or the module on the other senses in whatever order they choose Watch our new videos from David Myers here including our animation on THE TESTING EFFECT narrated by David Myers **Study Guide for Psychology 6e** Richard O.
