

The background of the book cover is a painting. The top half features a deep, textured red sky. Below the sky is a thin, vibrant blue line representing the ocean's surface. The bottom half of the cover shows a sandy beach with various footprints and tracks in the sand, rendered in shades of brown and tan. The overall style is painterly and evocative.

PURITANISM

A Very Short Introduction

OXFORD

Puritanism A Very Short Introduction

Kristina Bross, Abram Van Engen

Puritanism A Very Short Introduction:

Puritanism Francis J. Bremer, 2009-07-24 Written by a leading expert on the Puritans this brief informative volume offers a wealth of background on this key religious movement This book traces the shaping triumph and decline of the Puritan world while also examining the role of religion in the shaping of American society and the role of the Puritan legacy in American history

Puritanism: A Very Short Introduction Francis J. Bremer, 2009-07-24 Written by a leading expert on the Puritans this brief informative volume offers a wealth of background on this key religious movement This book traces the shaping triumph and decline of the Puritan world while also examining the role of religion in the shaping of American society and the role of the Puritan legacy in American history Francis J Bremer discusses the rise of Puritanism in the English Reformation the struggle of the reformers to purge what they viewed as the corruptions of Roman Catholicism from the Elizabethan church and the struggle with the Stuart monarchs that led to a brief Puritan triumph under Oliver Cromwell It also examines the effort of Puritans who left England to establish a godly kingdom in America Bremer examines puritan theology views on family and community their beliefs about the proper relationship between religion and public life the limits of toleration the balance between individual rights and one's obligation to others and the extent to which public character should be shaped by private religious belief About the Series Combining authority with wit accessibility and style Very Short Introductions offer an introduction to some of life's most interesting topics Written by experts for the newcomer they demonstrate the finest contemporary thinking about the central problems and issues in hundreds of key topics from philosophy to Freud quantum theory to Islam

A History of American Puritan Literature Kristina Bross, Abram Van Engen, 2020-10-15 For generations scholars have imagined American puritans as religious enthusiasts fleeing persecution finding refuge in Massachusetts and founding America The puritans have been read as a product of New England and the origin of American exceptionalism This History challenges the usual understanding of American puritans offering new ways of reading their history and their literary culture Together an international team of authors make clear that puritan America cannot be thought of apart from Native America and that its literature is also grounded in Britain Europe North America the Caribbean and networks that spanned the globe Each chapter focuses on a single place method idea or context to read familiar texts anew and to introduce forgotten or neglected voices and writings A History of American Puritan Literature is a collaborative effort to create not a singular literary history but a series of interlocked new histories of American puritan literature

To Understand Things as Well as Words John R. Van Wyk, 2025-06-17 One significant way that the influential Puritan minister Jonathan Edwards 1703-58 remains relevant today is through his approach to teaching His holistic pedagogical approach addressed the total person mind intentions and actions Crucial to Edwards also was mentoring students to assist their spiritual development and to encourage and to help enable their leadership potential This volume fills a significant gap in the academic study of Jonathan Edwards his work as a teacher and educational theorist

Stuart

Britain: A Very Short Introduction John Morrill, 2000-08-10 First published as part of the best selling The Oxford Illustrated History of Britain John Morrill's Very Short Introduction to Stuart Britain shows how in the Stuart century a century of Revolution political religious social and economic changes came together *An Investigation of the Seventeenth- to Nineteenth-Century Puritan Vernacular Tradition* Douglas T. Root, 2020-07-15 An Investigation of the 16th 18th Century Puritan Vernacular Tradition argues that Puritan writers specifically from the 17th to the 19th century developed a collective vernacular which was intended to in the words of John Milton justify the ways of God to man However their phrases much like the Puritans themselves never achieved a sufficient level of uniformity As a result their verbiage though quite often similar the manner in which it is used frequently differs Puritan authors routine suggestion that certain circumstances pleased God began as an attempt with which to interpret God's involvement in their day to day lives However as time passed these interpretations became further removed from the Scripture and ultimately functioned as a way for writers to indict God when things badly or to praise him only when he showed them favor

Lay Empowerment and the Development of Puritanism Francis Bremer, 2016-01-12 A study of the rise and decline of puritanism in England and New England that focuses on the role of godly men and women It explores the role of family devotions lay conferences prophesying and other means by which the laity influenced puritan belief and practice and the efforts of the clergy to reduce lay power in the seventeenth century

When Christians Disagree Tim Cooper, 2024-07-08 Two Oppositional Figures in Church History Shed Light on Division in the Church Today Our current culture seems to be increasingly divided on countless issues including those affecting the church But for centuries theological disagreements political differences and issues relating to church leadership have made it challenging for Christians to foster unity and love for one another In this book author Tim Cooper explores this polarization through the lives of two oppositional figures in church history John Owen and Richard Baxter Cooper highlights their individual stories while showing how their contrasting life experiences personalities and temperaments led to their inability to work together After exploring these lessons from the past readers will gain insights into their own relationships ultimately learning how to love and live in harmony with their fellow believers despite their disagreements Timely In today's deeply divided culture this book offers past examples to help spur unity among believers today Historical Biographical examination of two Puritan writers from the 17th century John Owen and Richard Baxter Accessible Short format and crisp writing style offer an engaging story with no background knowledge required

Ore from the Puritans' Mine Dale Smith, 2020-11-20 Ore from the Puritans Mine is the go to collection of quotes from the English Puritans

One Small Candle Francis J. Bremer, 2020-07-30 Four hundred years ago a group of men and women who had challenged the religious establishment of early seventeenth century England and struggled as refugees in the Netherlands risked everything to build a new community in America The story of those who journeyed across the Atlantic on the Mayflower has been retold many times but the faith and religious practices of these settlers has frequently been neglected or

misunderstood In *One Small Candle* Francis J Bremer focuses on the role of religion in the settlement of the Plymouth Colony and how those values influenced political intellectual and cultural aspects of New England life a hundred and fifty years before the American Revolution He traces the Puritans persecution in early seventeenth century England for challenging the established national church and the difficulties they faced as refugees in the Netherlands in the 1610s As they planted a colony in America this group of puritan congregationalists was driven by the belief that ordinary men and women should play the deciding role in governing church affairs Their commitment to lay empowerment and participatory democracy was reflected in congregational church covenants and inspired the earliest political forms of the region including the Mayflower Compact and local New England town meetings Their rejection of individual greed and focus on community Bremer argues defined the culture of English colonization in early North America A timely narrative of the people who founded the Plymouth Colony *One Small Candle* casts new light on the role of religion in the shaping of the United States **The Peril and**

Promise of Christian Liberty Littlejohn, W. Bradford, 2017 What happens when Christians must obey God rather than human authorities In this book W Bradford Littlejohn addresses that question as he unpacks the magisterial political theological work of Richard Hooker a leading figure in the sixteenth century English Reformation through the lens of Christian liberty Book jacket Encyclopedia of Christianity in the United States George Thomas Kurian, Mark A.

Lamport, 2016-11-10 From the Founding Fathers through the present Christianity has exercised powerful influence in the United States from its role in shaping politics and social institutions to its hand in inspiring art and culture The *Encyclopedia of Christianity in the United States* outlines the myriad roles Christianity has played and continues to play This masterful five volume reference work includes biographies of major figures in the Christian church in the United States influential religious documents and Supreme Court decisions and information on theology and theologians denominations faith based organizations immigration art from decorative arts and film to music and literature evangelism and crusades the significant role of women racial issues civil religion and more The first volume opens with introductory essays that provide snapshots of Christianity in the U S from pre colonial times to the present as well as a statistical profile and a timeline of key dates and events Entries are organized from A to Z The final volume closes with essays exploring impressions of Christianity in the United States from other faiths and other parts of the world as well as a select yet comprehensive bibliography Appendices help readers locate entries by thematic section and author and a comprehensive index further aids navigation **Prophecy**

without Contempt Cathleen Kaveny, 2016-03-07 The culture wars have as much to do with rhetorical style as moral substance Cathleen Kaveny focuses on a powerful stream of religious discourse in American political speech the Biblical rhetoric of prophetic indictment It can be strong medicine against threats to the body politic she shows but used injudiciously it does more harm than good Unity in Diversity Randall J. Pederson, 2014-08-14 *Unity in Diversity* presents a fresh appraisal of the vibrant and diverse culture of Stuart Puritanism provides a historiographical and historical survey of current

issues within Puritanism critiques notions of Puritanisms which tend to fragment the phenomenon and introduces unitas within diversitas within three divergent Puritans John Downname Francis Rous and Tobias Crisp This study draws on insights from these three figures to propose that seventeenth century English Puritanism should be thought of both in terms of Familien hnlichkeit in which there are strong theological and social semblances across Puritans of divergent persuasions and in terms of the greater narrative of the Puritan Reformation which united Puritans in their quest to reform their church and society

The Foundation of Joy Jeff Strickland, 2025-04-21 The Puritans have been depicted as killjoys whose teachings on assurance of salvation and self examination bred anxiety and despair But is that really the case In *The Foundation of Joy* Jeff Strickland investigates the link between John Flavel s understanding of assurance and his pursuit of joy After explaining Flavel s approach to assurance and how it actually provides a foundation for joy Strickland demonstrates how Flavel expresses these in the key areas of looking to Christ discerning the Spirit obeying the law keeping the heart and carrying the cross Joy is the hallmark of Flavel s spirituality a fine example of what it means to cultivate a cheerfulness of heart founded on a sense of one s interest in Christ

Soul Recreation Tom Schwanda, 2012-04-11 Spiritually there is a great hunger today for contemplative and more satisfying experiences with God Puritanism might seem to be an unlikely source for this yet few groups in the history of Christian spirituality have written more extensively or wisely on the subject Isaac Ambrose 1604-64 a relatively forgotten English Puritan developed a theological foundation for the spiritual life based upon the Christian s intimate union with Christ which the Puritans often called spiritual marriage Schwanda demonstrates that this vibrant relationship of union and communion with Jesus inspired by the Holy Spirit was manifested in a deep contemplative piety of gazing lovingly and gratefully upon God At the same time Ambrose did not neglect loving his neighbors This study reveals how heavenly meditation was one of the significant practices engaged by Ambrose to cultivate spiritual intimacy and enjoyment of God Further his experiential reading of Scripture in particular the Song of Songs provided him with a language of ravishment and delight in God This book provides a distinctively Protestant foundation for recovering the contemplative life while recognizing the significant contributions of the Western Catholic tradition

The Oxford Illustrated History of the Reformation Peter Marshall, 2015-01-22 The Reformation was a seismic event in history whose consequences are still working themselves out in Europe and across the world The protests against the marketing of indulgences staged by the German monk Martin Luther in 1517 belonged to a long standing pattern of calls for internal reform and renewal in the Christian Church But they rapidly took a radical and unexpected turn engulfing first Germany and then Europe as a whole in furious arguments about how God s will was to be saved However these debates did not remain confined to a narrow sphere of theology They came to reshape politics and international relations social cultural and artistic developments relations between the sexes and the patterns and performances of everyday life They were also the stimulus for Christianity s transformation into a truly global religion as agents of the Roman Catholic Church sought to compensate for losses in Europe

with new conversions in Asia and the Americas Covering both Protestant and Catholic reform movements in Europe and across the wider world this beautifully illustrated volume tells the story of the Reformation from its immediate explosive beginnings through to its profound longer term consequences and legacy for the modern world The story is not one of an inevitable triumph of liberty over oppression enlightenment over ignorance Rather it tells how a multitude of rival groups and individuals with or without the support of political power strove after visions of reform And how in spite of themselves they laid the foundations for the plural and conflicted world we now inhabit *The Writer and the Cross* Darren J.N.

Middleton,2022-07-14 Spiritually engaged readers commonly look toward fiction to better understand the depth of a faithful life and Christians are no exception Many followers of Jesus value beautifully written deftly characterized and pulse quickening literary art that seems more satisfying than dry tedious doctrinal textbooks This book surveys 12 pieces of historical fiction that feature notable Christian thinkers They include an illustrated children s book about St Irenaeus of Lyons a novel about Martin Luther s Reformation a screenplay focusing on Dietrich Bonhoeffer and even a story about Pope Francis narrated in popular manga style Rather than arcane literary analyses this book provides thoughtful and sometimes painful interviews with the authors of the covered works Most interviewees are little known or emerging writers Some have published their work with a church or denominational press others with a major publishing empire or popular print on demand platforms Storytellers reflect on their literary choices and the contexts of their writing sharing what modern Christians can learn from historical religious fiction *Young Milton* Edward Jones,2013 The experimental and diverse writing of John Milton s early career offers tantalising evidence of a precocious and steadily ripening author This book explores these writings including *Lycidas* and *The Passion* *The Oxford History of the Reformation* Peter

Marshall,2022-09-08 a vital resource TLS Compelling collection Literary Review The Reformation was a seismic event in history whose consequences are still unfolding in Europe and across the world Martin Luther s protests against the marketing of indulgences in 1517 were part of a long standing pattern of calls for reform in the Christian Church But they rapidly took a radical and unexpected turn engulfing first Germany and then Europe in furious arguments about how God s will was to be saved However these debates did not remain confined to a narrow sphere of theology They came to reshape politics and international relations social cultural and artistic developments relations between the sexes and the patterns and performances of everyday life They were also the stimulus for Christianity s transformation into a truly global religion as agents of the Roman Catholic Church sought to compensate for losses in Europe with new conversions in Asia and the Americas Covering both Protestant and Catholic reform movements in Europe and across the wider world this compact volume tells the story of the Reformation from its immediate explosive beginnings through to its profound longer term consequences and legacy for the modern world The story is not one of an inevitable triumph of liberty over oppression enlightenment over ignorance Rather it tells how a multitude of rival groups and individuals with or without the support of

political power strove after visions of reform And how in spite of themselves they laid the foundations for the plural and
conflicted world we now inhabit

Thank you totally much for downloading **Puritanism A Very Short Introduction**. Most likely you have knowledge that, people have look numerous time for their favorite books in the manner of this Puritanism A Very Short Introduction, but stop in the works in harmful downloads.

Rather than enjoying a good PDF once a mug of coffee in the afternoon, otherwise they juggled considering some harmful virus inside their computer. **Puritanism A Very Short Introduction** is easy to use in our digital library an online admission to it is set as public in view of that you can download it instantly. Our digital library saves in compound countries, allowing you to acquire the most less latency era to download any of our books subsequently this one. Merely said, the Puritanism A Very Short Introduction is universally compatible next any devices to read.
