Purpose Why Were You Called:

True Calling And Life Purpose Rediscovered Noah Daniels,2013-10-09 Why are we here What am I supposed to do with my life this time around These are some of the questions I will explore in this book You will join me on a journey into a world of conflict and contradiction We will explore a world filled with manipulation and corruption Your belief system will be challenged at every turn as we uncover some of the oldest and most powerful myths of this world My goal is to help you connect to your true self to help you move away from conventional Thinking and create a life definition that works for you We all have our own unique definitions for the elements defining a successful life Unfortunately most people spend their lives defending their life definitions to themselves and to the people who supposedly care about them the most Your objective is actually very simple To become successful all you have to do is reach a state of complete inner peace As you know this is easier said than done in today s hectic world If you are willing to shatter your current belief system and take a leap of faith this will be a voyage like no other Remember in order to continue we all must have open minds so we can find OUR TRUE CALLING
