F. Paul Wilson, 2012-05-22 A finale to the Repairman Jack and Adversary Cycle series finds Jack and the aged Glaeken assembling a ragtag Secret History army for a last stand against the Otherness **The Keep**

F. Paul Wilson, 2017-11-07 The Keep is the first book in the Adversary Cycle from bestselling author F Paul Wilson and the basis for the 1983 cult classic horror film written and directed by Michael Mann Something is murdering my men Thus reads the message received from a Nazi commander stationed in a small castle high in the remote Transylvanian Alps Invisible and silent the enemy selects one victim per night leaving the bloodless and mutilated corpses behind to terrify its future victims When an elite SS extermination squad is dispatched to solve the problem the men find something that s both powerful and terrifying Panicked the Nazis bring in a local expert on folklore who just happens to be Jewish to shed some light on the mysterious happenings And unbeknownst to anyone there is another visitor on his way a man who awoke from a nightmare and immediately set out to meet his destiny The battle has begun On one side the ultimate evil created by man and on the other the unthinkable unstoppable unknowing terror that man has inevitably awakened At the Publisher s request this title is being sold without Digital Rights Management Software DRM applied [Harbingers](#)

F. Paul Wilson, 2007-04-01 A hang onto your hat and heart thriller of triumph and tragedy that barrels along at F Paul Wilson s trademark breakneck pace Harbingers It starts off so simply Jack still feeling down after the tragic

events of *Infernal* is hanging in July's when a regular named Timmy asks him for help. His teenage niece has been missing since this morning; the police say it's too early to worry, but Timmy knows something bad has happened. Jack says he'll put the word out on the street. This innocent request triggers a chain of seemingly coincidental events that lead Jack into the darkest days of his life. As has become evident in the series, Jack has been singled out unwillingly as the champion of one of the two supernatural forces contending for control of all human life on Earth. Neither of these forces are good or evil, just dangerous and amoral. They value and notice individual humans about as much as we do mosquitos. Jack is desperate, and the last thing you want to do is make Jack desperate. That's when things begin to blow up and people begin to die. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied. *Reborn* Francis Paul Wilson, 1991

Bloodline F. Paul Wilson, 2010-07-20 This Repairman Jack book from F. Paul Wilson, *Bloodline*, the eleventh in the series, follows the New York Times bestseller *Harbingers*. Jack has been on hiatus since the events in *Harbingers*. With his lover Gia's encouragement, he dips a toe back into the fix-it pool. Christy Pickering's eighteen-year-old daughter is dating Jerry Bethlehem, a man twice her age. Christy sensed something shady and sinister about him, so she hired a private investigator to look into his past. But the PI isn't returning her calls. Will Jack find out why? Jack learns there's a very good reason for the unreturned calls: The PI is dead, a victim of a bizarre water torture murder. As Jack delves into Jerry Bethlehem's past, he learns that the man is not who he says he is. Who and what he is will have a devastating effect on Jack's life and future, adding another piece to the puzzle of who he really is and why he's been drafted into this cosmic shadow war. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied. **Fatal Error** F. Paul Wilson, 2010-10-12 Repairman Jack is one of my favorite characters. I'm full of happy anticipation every time I hold a new RJ novel in my hands. Charlaine Harris' creator of *True Blood*, *The End of the World*, is at hand. Munir Habib's life has become a nightmare. His tormentor has warned Munir not to report the kidnapping of his family, or else they will pay a terrible price. A friend realizes something is terribly wrong and tells Munir he doesn't have to go to the cops. There's a guy who fixes situations like this, Repairman Jack. Jack is backed into helping Munir despite his ongoing involvement in the cosmic shadow war between the Ally and the Otherness. Or perhaps because of it. He's chafing at being forced into the defensive role of protecting the Lady, the physical embodiment of the consciousness of the planet Earth. Meanwhile, the Septimus Order and the Kickers are seemingly working in concert on a plot to extinguish the Lady and open the way for the Otherness to take over our reality. To top it all off, Dawn Pickering finally goes into labor and delivers a baby she only glimpses as it's whisked away and is terrified by what she sees. Later, she's told the baby died, but she doesn't believe it. Neither does Weezy. Neither does Jack. All these interlocking plots mean doom for humanity. But Jack never gives up or gives in. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied. **Infernal** F. Paul Wilson, 2010-04-01 The ninth Repairman Jack novel from F. Paul Wilson brims with murder, international terrorism, sibling rivalry, and a truly infernal

device A mutual tragedy throws Jack together with his brother Tom a judge from Philadelphia They ve never been close and it doesn t take Jack long realize that s a good thing Tom and he are opposites Still Tom convinces Jack to go on a trip to get to know each other better He has a map locating a wreck off the coast of Bermuda and wants Jack to help him find it Reluctantly Jack agrees But instead of treasure they find a strange object part organic part manmade known as the Lilitongue of Gefreda Ancient lore claims that it is a means to elude all enemies and leave them helpless The big question is why does Tom want such a thing And if the Lilitongue lives up to the legend where does it take you No one seems to know Matters take a bizarre and dangerous turn no surprise for a Repairman Jack novel when someone accidentally activates the Lilitongue At the Publisher s request this title is being sold without Digital Rights Management Software DRM applied
