The team at America's Test Kitchen has created more than 200 easy-to-make 30-minute recipes that guarantee impressive results from a minimum of effort. With a little test kitchen know-how we found ways to make naturally fast dishes even faster and traditionally slow-cooked dinners a weeknight option. But one thing we never did was settle on shortcuts that shortchanged flavor. Some compromises simply aren't worth making and a few extra minutes of cooking translate to time well spent. No matter the path taken every recipe in this book is foolproof, full-flavored, and fast. It's time to make weeknight dinner interesting again.
