The Oxford Handbook of Shakespeare and Dance examines the relationship between William Shakespeare his life works afterlife and dance **Christmas Tales** William McInnes, 2020-10-27 I can t help it if I m a boring conservative dag but I love Christmas always have and hopefully always will Whatever brand of faith you fly under even if you proclaim you don t have one Christmas is a time of generosity good citizenship and decency It s the holiday where shopping centres become a sea of dazed shoppers bearing checklists as long as your arm lunch is a neverending buffet of prawns and ham and your electricity bill is doubly struck by having to run the fan all day and keep those decorative lights blinking through the night

William McInnes bestselling author of FATHERHOOD WORSE THINGS HAPPEN AT SEA and A MAN S GOT TO HAVE A HOBBY tackles the silly season in a way only he can telling stories brimming with good humour and nostalgia to remind us what Christmas is all about family **The Arden Research Handbook of Shakespeare and Adaptation** Diana E. Henderson, Stephen O'Neill, 2022-03-24 The Arden Research Handbook of Shakespeare and Adaptation explores the dynamics of adapted Shakespeare across a range of literary genres and new media forms This comprehensive reference and research resource maps the field of Shakespeare adaptation studies identifying theories of adaptation their application in practice and the methodologies that underpin them It investigates current research and points towards future lines of enquiry for students researchers and creative practitioners of Shakespeare adaptation The opening section on research methods and problems considers definitions and theories of Shakespeare adaptation and emphasises how Shakespeare is both adaptor and adapted A central section develops these theoretical concerns through a series of case studies that move across a range of genres media forms and cultures to ask not only how Shakespeare is variously transfigured hybridised and valorised through adaptational play but also how adaptations produce interpretive communities and within these potentially new literacies modes of engagement and sensory pleasures The volume s third section provides the reader with uniquely detailed insights into creative adaptation with writers and practice based researchers reflecting on their close collaborations with Shakespeare s works as an aesthetic ethical and political encounter The Handbook further establishes the conceptual

parameters of the field through detailed practical resources that will aid the specialist and non specialist reader alike including a guide to research resources and an annotated bibliography
