Adventure Works Announces Quarterly Earnings Results

Earnings stronger than corresponding quarter for previous fiscal year.

Seattle, July 23, 2004: Adventure Works today announced net income of \$1.2 million, or \$.06 per share, for its sixteen-week fourth quarter of FY 2004 ended June 30, compared to a loss of \$2.3 million, or \$.57 per share for the last quarter of FY 2003. Sales were \$48.1 million, a decrease from the \$49.0 million reported for the same quarter a year ago.

The company's consultancy service unit reported EBITDA* of \$.8 million, a 5.5% improvement, even though contracts decreased compared to the same quarter last year. "Adventure Works continues to improve its services," said Annik Stahl, Chair of the Board and Chief Executive Officer of Adventure Works.

"A positive service shift contributed to fourth quarter results as did Adventure Works' continued operational improvements. Adventure Works' growth in branded consulting was offset by declines in our Web design service sector. It is encouraging to note that Adventure Works experienced improvement in our synergy service division toward the end of the quarter," Stahl noted. Adventure Works is nearly finished rolling out a new style of consulting services geared to start-up businesses.

Adventure Works' management anticipates that next quarter's earnings will be nearer to targeted growth levels of .5% to 1% in design services and 2% to 4% in consulting services. Adventure Works continues to expect EBITDA for 2004 of \$4.2 million to \$5.1 million and earnings per share for the year of \$.20 to \$.26

Adventure Works will broadcast its quarterly conference call over the Internet at 10:30 A.M. (Pacific) July 24, 2004 at <http://www.adventure-works.com>. The call will be archived on the site as well.

Headquartered in Bothell, WA, Adventure Works is one of the nation's leading consultancies and design firms specializing in synergy services.

Can I Quote You On That? William Essex,2006-09-25 Media contact is a fact of business life And yet this is the only book on the market that focuses exclusively on getting the best out of contact with journalists It s written by a journalist about journalists and based on a long established and successful media training course Circulating copies of this book around key executives would be a far cheaper and more cost effective alternative to hiring media trainers Being able to handle the media effectively can be a significant career advantage Doing it badly can be damaging both to the career and to the company This book is a practical guide to handling media contact It starts at first contact with a journalist and goes right through to discussing whether and if so how to follow up an interview The book looks at print radio television and online journalism There s a chapter on crisis management and one on interviewees legal rights A

key feature of the book is that it focuses on what journalists want why they want it and how to give it to them in a way that achieves favourable media coverage Can I quote you on that describes techniques for handling a variety of interviews successfully from the visit to your office by a trade journalist through expected and unexpected telephone interviews via calls from newspapers and magazines radio interviews phone ins and discussion programmes to the range of television experiences including the camera crew at the office the studio based interview and the remote studio There s a chapter on effective interview preparation and an emergency page for reference if the interview is imminent This book is designed to convey an understanding of how journalists work and how to work with them for mutual benefit There are answers to a range of frequently asked questions from How can I avoid being misquoted right through to What if they don t ask the questions I want to answer The book discusses the subtle techniques that can be used to steer an interview in a favourable direction and suggests ways of handling not only difficult questions but also stupid and ignorant questions There is also advice on how to go about forming mutually beneficial long term relationships with key journalists This is a practical guide that delivers an understanding of how journalists think and why they think that way This book is a media training course in its own right

Japanese American Celebration and Conflict Lon Kurashige, 2002-06-03 Do racial minorities in the United States assimilate to American values and institutions or do they retain ethnic ties and cultures In exploring the Japanese American experience Lon Kurashige recasts this tangled debate by examining what assimilation and ethnic retention have meant to a particular community over a long period of time This is an inner history in which the group identity of one of America s most noteworthy racial minorities takes shape From the 1930s when Japanese immigrants controlled sizable ethnic enclaves to the tragic wartime internment and postwar decades punctuated by dramatic class mobility racial protest and the influx of economic investment from Japan the story is fraught with conflict The narrative centers on Nisei Week in Los Angeles the largest annual Japanese celebration in the United States The celebration is a critical site of political conflict and the ways it has changed over the years reflect the ongoing competition over what it has meant to be Japanese American Kurashige reveals subtly and with attention to gender issues the tensions that emerged at different moments not only between those who emphasized Japanese ethnicity and those who stressed American orientation but also between generations and classes in this complex community *Catalog of Copyright Entries. Sample Beauty Pageant Press Release Introduction

In today's digital age, the availability of Sample Beauty Pageant Press Release books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Sample Beauty Pageant Press Release books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Sample Beauty Pageant Press Release books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Sample Beauty Pageant Press Release versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Sample Beauty Pageant Press Release books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Sample Beauty Pageant Press Release books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Sample Beauty Pageant Press Release books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Sample Beauty Pageant

Press Release books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Sample Beauty Pageant Press Release books and manuals for download and embark on your journey of knowledge?
