The Secret to Your Success Bill Old Chief, 2021-08-25 As an author I have discovered that more than one million books are published in the United States each year Before I became an author I began to build my personal library since knowledge intrigued me To my disappointment much of what I accumulated was mainly filler and stuffing with a fancy cover In most cases only 1/3 was practical As a student of biblical history and prophetic insight I desired reading material that would challenge me to explore the revelations within the Word of God The years have taught me to be more selective and investigative before purchasing books as I continue to expand my library The first book that I published Somewhere in Montana West Bow Press I personally planned to write in a manner that would add insight to the reader that they could utilize in a beneficial manner The Secret To Your Success was conceived during the height of the Coronavirus pandemic right from the heart of God Many are asking questions about their future and how did this all come about through the Holy Spirit we answer those questions This book is a revelation of where we are today and what awaits us If you desire to know the truth and pull back the spiritual curtain then this is a must read for you The Bible speaks of times and seasons that the men of Issachar were able to discern you too will witness prophetic revelation concerning these times

of the founders of neurology A restless unquiet Faustian spirit Nansen was a Renaissance Man born out of his time into the new Norway of Ibsen and Grieg He was an artist and historian a diplomat who had dealings with Lenin Trotsky and Stalin and played a part in the Versailles Peace Conference where he helped the Americans in their efforts to contain the Bolsheviks He also undertook famine relief in Russia Finally working for the League of Nations as both High Commissioner for Refugees and High Commissioner for the Repatriation of Prisoners of War he became the first of the modern media conscious international civil servants
