

Series:

1600BC, 1601, 1601BF

7500, 7500BF, 7700

8100, 8300, 8301, 8301BF, 8501, 8501BF

All of the above series of door closers should be checked periodically for loose fasteners or fluid leakage. The length of time between checks would be dependent upon the frequency of door usage or where doors are subjected to unusual elements such as rough usage, dust or high humidity.

Low usage interior doors or doors in exterior walls should require extremely little attention, perhaps semi annual checks; however, if you are in an area where seasonal temperature changes are extremely severe, seasonal closing speed adjustments may possibly be required for doors in exterior walls.

Higher traffic doors should be checked more frequently, depending upon their traffic. Quarterly inspections should

be sufficient for most installations, but with extremely high traffic doors, monthly inspections could be a consideration.

In all instances, it is a good practice to periodically use a couple of drops of light machine oil at any arm pivot joint, with the exception of hold open points on hold open arms.

The only maintenance required for Norton® door closers are periodic checks (monthly, quarterly, semi-annually) for loose fasteners and for any signs of hydraulic fluid leakage. Additionally, it is highly recommended that the door closer's arm joints at the elbow and shoe/soffit plate connections be lubricated at semi-annual or annual intervals with one or two drops of a light machine oil. Do NOT use excessive lubrication.

Suggested Cleaning:

1. For the removal of light dust, use a soft cloth or automotive detail brush to clear surfaces.
2. For removal of grit, such as sand, use a compressed gas duster to blow off surfaces.

3. For removal of more stubborn dirt, such as oil or grease, use a mild detergent to gently wipe surfaces clean.

NOTE: The foregoing information should be used as guideline only and is not intended to limit a more aggressive maintenance schedule. If you have any questions regarding this information or other questions regarding Norton® door closers, please contact us.
