

Afrika ans Notes Paper 2 Term 2

Short stories

1. All is fair in love and war (Jan van tonder):
 - the story is about Edwill, Helena and Waldemar, and they are in a love triangle.
 - Edwill and Lita have a plan to get Waldemar and Helena away from each other. En die plan kom by Edwill op toe die Afrikaanse onderwyser hulle die storie van Helena van Troje vertel.
 - "In die klas het die Afrikaanse onderwyser hulle eendag die storie van Helena van Troje vertel en van die houtperd waarin soldate weggesteek is sodat hulle die stad onopgemerk kon binnegaan. En daar en dan het Edwill 'n plan gekry: hy sou met Waldemar vriende maak."

Karakters:

- ↘ Helena - Herinner ons aan klassieke karakter Helena van Troje
- ↘ Edwill - Verlief om Helena. Beraam plan om haar hart te wen.
- ↘ Waldemar - aantreklik, goeie rugbyspeler, nie goed met kommunikeer/woorde nie, Helena se kêrel
- ↘ Lita - Edwill se suster. Help Edwill om Helena se hart te wen.

Die aanvangsoomblik is wanneer Edwill besef dat hy verlief is op Helena en dit met sy sussie deel. Ons sien dat die spanning begin bou wanneer Lita beweer dat hulle die Achilleshiel in die verhouding opgespoor het.

insident waar Edwill aanbied om Helena se boeties besig te hou sodat sy meer tyd saam met Waldemar kan deurbring en Helena

Telling Stories Differently Janet Condry, 2015-09-01 The aim of this book is to share a relatively loose collection of studies using digital storytelling as a pedagogical tool in Cape Peninsula University of Technology CPUT The book takes an informed social justice approach to teaching and learning at the heart of which is the exploration of DST as a practice of voice and agency Voice and agency are important in excavating and recovering subjugated identities and moving the concerns of those occupying subaltern spaces to the mainstream of teaching and learning Yet this discursive shift is not without inherent challenges Multi modal technologies are reflective of wider inequities in the so called technological divide Whilst this is a book about higher education there are important lessons for schooling On the one hand the book is a powerful demonstration of the potential of DST for enhancing learning in schools particularly in schools serving the poor and marginalised On the other hand improving teaching and learning in higher education through the creative use of technology is essential to overcome the learning challenges of those entering tertiary level institutions **Class, Race, and Inequality in South Africa** Jeremy Seekings, Nicoli Nattrass, 2008-10-01 The distribution of incomes in South Africa in 2004 ten years after the transition to democracy was probably more unequal than it had been under apartheid In this book Jeremy Seekings and Nicoli Nattrass explain why this is so offering a detailed and comprehensive analysis of inequality in South Africa from the midtwentieth century to the early twenty first century They show that the basis of inequality shifted in the last decades of the twentieth century from race to class Formal deracialization of public policy did not reduce the actual disadvantages experienced by the poor nor the advantages of the rich The fundamental continuity in patterns of advantage and

disadvantage resulted from underlying continuities in public policy or what Seekings and Nattrass call the distributional regime The post apartheid distributional regime continues to divide South Africans into insiders and outsiders The insiders now increasingly multiracial enjoy good access to well paid skilled jobs the outsiders lack skills and employment
