 Ligon,2015-12-11 This book offers 29 well known and beloved hymns and spirituals contains inspirational music arranged at
 beginning and intermediate levels for cello and piano the cello part is mostly within first position the book includes the text
 as well as music so that it can be used for the musicians individual meditation or prayer as well as for congregational and
 group use Both the cello part and the piano part are written with ease of performance in mind so that the words of the hymns
 and gospel tunes can also be a part of the player s experience Book includes a companion CD with the arrangers performing
 all tunes *Quarter Note Madness* Steve Tirpak,2016-09-30 Hold on to your instrument because things are about to get
 crazy Quarter Note Madness is part of a unique method specifically designed to increase sight reading ability First off the
 entire book consists of only quarter notes and quarter rests So rhythmically this is super EASY This allows your brain to fully
 concentrate on reading learning understanding and memorizing the letter names of the notes on the staff and how they
 relate to your instrument Secondly every exercise is written in the key of C which means that every accidental will be written
 before each note However the rule about accidentals being repeated in the bar still applies The first exercise starts with the
 notes in the Bb major scale Each exercise adds one more note until the entire staff has been covered The tonality of the
 exercises starts traditional staying within one or two tonal centers with a classical feel However as more accidentals are
 added the melodies become more angular and progressive *Gabriel Faur - Cello Sonata No.2 - Op.117 - A Score for Cello*
and Piano Gabriel Faur,2012-01
