Peggy's Carolina Recipes Peggy Cannon, 2010-04-26 First time author Peggy Cannon shares with readers her love for cooking and savory meals in her recipe compilation Peggy's Carolina Recipes. Cannon has had a passion for cooking as far back as she can remember; she was earlier inspired by her mother who taught her the basics of cooking while she was still young. Now she peruses recipe books from celebrity chefs as well as watches their cooking shows. This fascination for good food and cooking has led the author to collect several recipes both from friends and herself, perfect them, and share them with any one else who may be interested in quick, simple, and easy-to-follow recipes for savory and satisfying dishes. The book Peggy's Carolina Recipes contains several recipes that cover a wide range of dishes, including cookies, cakes, pies, and main dishes, including seafood and vegetable dishes. **The Kitchen Grimoire Volume 4** Celeste Heldstab, 2005-10 These books are a sheer delight for everyone who loves to cook with herbs and experience the flavors of the world. There is also plenty of help to provide a little magick in your life, and these books are a necessity for everyone who wants to learn how. Be prepared to experience something you will want to share with everyone as you travel through the pages of these lovely books. Sold separately or as a set, these are true keepsakes and something to be savored and enjoyed for generations to come. Many of the recipes are handed down through the family; some of them are newly created, and all are truly unique in their composition. This is clearly one of the most complete sets of cookbooks you will see. They are beautifully done, easy to use, and very comprehensive. It is also clearly the best of down-home cooking, world cuisine, and magick, all wrapped up in one place, available today. Each book is over 2 inches thick and in a beautiful 3-ring binder that lays flat on your kitchen counter.
