create pages for miniature scrapbooks and charming mini albums Included are special design tips and techniques for working with smaller pages easy to adapt layouts and cute ideas for little gift books 100 photos **Children's Books in Print, 2007** ,2006 **Magic, Monsters, and Make-Believe Heroes** Douglas E. Cowan,2019-01-29 Magic Monsters and Make Believe Heroes looks at fantasy film television and participative culture as evidence of our ongoing need for a mythic vision for stories larger than ourselves into which we write ourselves and through which we can become the heroes of our own story Why do we tell and retell the same stories over and over when we know they can't possibly be true Contrary to popular belief it's not because pop culture has run out of good ideas Rather it is precisely because these stories are so fantastic some resonating so deeply that we elevate them to the status of religion Illuminating everything from Buffy the Vampire Slayer to Dungeons and Dragons and from Drunken Master to Mad Max Douglas E Cowan offers a modern manifesto for why and how mythology remains a vital force today **Doctor Leeds' Selection of Popular Epic Recitations for Minstrel and Stage Use** Robert X. Leeds,1999 A rare collection of 195 barroom story poems including over 150 that have not been published in over 100 years Most were recited by minstrels who traveled the old West and performed them on kerosine lit tavern stages These poems were gathered from all over the world No profanity *Dad* Bob Seay,2021-04-09 Can an underachieving son reconnect with his father before it's too late Jacob's life is already complicated enough Now his Dad whose mind isn't as sharp as it once was is driving out for a visit Or he was before he got lost along the way Now it's up to Jacob to get this right A touching story about families relationships and aging parents Editorial Review by Jon Michael Miller of Readers Favorite In *Dad* by Bob Seay we meet Jacob our narrator and protagonist in his mid to late thirties struggling both in his professional world and in his marriage With his compulsion to tell everybody everything he tells us his story as if we are his best friends exposing all his failures and amusing quirks Brooke his wife wants all his money and he has lost his job as a high school teacher In survival mode he lives in Colorado and works as a ghost writer of term papers for college students He lives and works online from the back room of a laundry His squalid existence is interrupted when he is informed by his brother back in Cincinnati that their dad suffering from Alzheimer's has hit the road and is in a hotel room in Kansas City Missouri Jacob is the logical person to collect his old man In so doing he finds his dad having lunch with a hotel maid Amelia who is watching over him We soon become familiar with the sights along Interstate 70 as his dad tells Jacob about installing communications devices in St Louis's Gateway Arch He has other stories about his activities on Mars and in submarines Despite Jacob's honest flaws and his relentless search for self and redemption I came to like and even to identify with him Yes he is largely responsible as he admits for his own problems Fortunately he is in a stable tight knit family all intent on taking care of their sad but sometimes funny dad But I felt that *Dad* is the vehicle of the real underlying story which is Jacob trying to dig himself out of the hole he has dug for himself He meets his female spiritual twin in the person of Amelia not really a hotel housekeeper but a refugee from nursing and an aspiring artist She escapes from an abusive

Confederate flag flying boyfriend into Jacob's black Mustang convertible nicknamed Beast which hauls Jacob back and forth several times between Denver Kansas City Topeka and Cincinnati. We're all doing the best we can says Amelia compassionately. I was both sadly moved and often amused by Jacob's search for a better life. And along with the story we learn a lot from the various topics Jacob ghost writes about: nursing burnout, the Feds, Buddhism, and neo Nazis to name only a few. Oh yes, and the Stanford Marshmallow Index which somehow nibbles at Jacob's core. And we meet a quirky loving family in the turmoil of losing the family patriarch who is quite an overarching backdrop in his own right. Author Bob Seay dedicates his novel Dad to all families with aging parents, and I cannot imagine a more accurate portrayal or one more moving.
